

Music Now. Skills for Life.

We are pleased to introduce **ABC Music & Me**, powered by Kindermusik International. **ABC Music & Me** will be used in our classroom to engage your child in music and movement activities such as songs, rhymes, instrument play, and dances that promote language, literacy, math and social skills, physical coordination, creativity and more. This program is *research-proven* to improve early language and literacy skills to help your child become kindergarten ready!

Your child will love singing, playing, and moving with their friends in this program's high-energy classes and you will love watching your child learn and develop!

Each month, extend the fun and learning of music class into your home with new songs, stories, activities, and music makers!

30 mins/week = 32% Literacy gain

Benefits for Pre-K Students:

Social and Emotional

- Explore and discuss feelings
- Share with others
