How do we use our Title I funds?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. At our school we are using Title I funds to:
- Add academic coaches to our staff
- Add paraprofessionals to assist your children
- Purchase classroom materials and supplies
- Provide tutoring
- Offer extra professional development for our teachers
- Conduct parental Informational meetings/trainings/activities

What is the 1% set-aside and how are parents involved?

- The Title I Allocation for The School District of Osceola County for 2020-2021 is \$17,936,238. The law states we have to set aside 1% for parental involvement.
- 90% of that amount must be allocated to all Title I schools in the District to implement school-level parental involvement. Our school received **\$6,174.77**.
- The School District of Osceola County, will use the remaining 10% for family engagement, as well as parent events and training.
- You, as Title I parents, have the right and are encouraged to be involved in how this money is spent at the LEA and school level.

Input on spending Title I Parent Involvement Funds

- To use funds for Parent Involvement must meet the following criteria:
 1. Educate the parents on Title I
 2. Be educationally based (language arts, math or science)
 3. Have educational interaction between the parent and student.
- Please provide suggestions on ways you think the Title I Parent Involvement Funds should be used at our school.
