RECOGNITION

Section 1 – Bargaining Unit Definition

A. The School Board of Osceola County, Florida, hereinafter called the “Board”, recognizes Teamsters Local Union 385, affiliated with the International Brotherhood of Teamsters, hereinafter called the “Union”, as the exclusive bargaining representative for professional support personnel in the school district known and designated as the School District of Osceola County, Florida. In this Agreement, the professional support personnel shall be defined as those employees included in the unit as certified by the Public Employees Relations Commission (PERC) on June 9, 2003 (Case No. RC-2002-082).

B. The Union recognizes the Board as the duly constituted legislative body and agrees to bargain collectively only with the chief executive officer of the Board or his designee(s).

C. The Board recognizes the Union as the sole and exclusive bargaining representative for the purpose of collective bargaining in regards to wages, hours and all other terms and conditions of employment for all professional support personnel employed by the Board at its facilities located in Osceola County, Florida as determined by PERC.

Section 2 – Modified or New Jobs

Clarifications of and amendments to the bargaining unit as defined above shall be by mutual consent of the Board and the Union or, in case of a dispute, by determination of the Public Employees Relations Commission (PERC). This shall in no way restrict the right of the Board to create, abolish, reclassify and/or modify job duties, job descriptions or positions, unless such action has the sole purpose of transferring job duties to positions outside of the bargaining unit.

ARTICLE 2

SCOPE OF AGREEMENT

Section 1 – Savings Clause

If any portion of this Agreement is held to be illegal, legally invalid, or unenforceable by a court of competent jurisdiction, or by the decision of any authorized governmental agency, then that provision shall be deleted from this Agreement to the extent that it violates the law. The remaining provisions of this Agreement shall remain in full force and effect for the duration of this Agreement to the extent that may be implemented without the deleted items. By mutual agreement, the deleted provisions as well as any other provision so affected by the deletion shall be renegotiated within thirty (30) days or the parties may mutually agree to deal with the matter in subsequent negotiations.

ARTICLE 3

MANAGEMENT RIGHTS

Section 1

It is the right of the School District to determine unilaterally the purpose of each of its constituent agencies, set standards of service to be offered, and exercise control and discretion over its organization and operations. It is also the right of the School District to direct its employees, take disciplinary action for just cause, and relieve its employees from duty because of lack of work or for other legitimate reasons, provided, however, that the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequences of violating the terms and conditions of this Agreement. It is expressly deemed to have waived or modified any of the rights reserved to the Board under this Article by not exercising said rights either in a particular matter or in a particular manner. The exercise of the above enumerated managerial rights, except as otherwise provided herein, shall not preclude an aggrieved employee from filing a grievance, but such grievance can be filed only on the grounds that the action complained of is in violation of the express written terms of this Agreement.

Section 2

If in the sole discretion of the Board, it is determined that emergency conditions exist, including, but not limited to, riots, civil disorders, severe weather conditions, epidemics, public employee strikes, or other catastrophes, the provision of this Agreement may be suspended by the Board during the time of such emergency, except for those relating to wages and benefits.

Section 3

The Federal Laws, together with all applicable General Laws of the State of Florida, shall be supreme to this Agreement in all matters pertaining to or resulting from any negotiations in such areas of discretion as to the Board's mission, budget, obligation to its citizens, organization, assignment of personnel, tasks, duties, responsibilities, or the technology required to perform work.

Section 4

The parties acknowledge that during the negotiations that resulted in this Agreement, each had the unlimited right to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining. They, therefore, each voluntarily and unqualifiedly waive the right for the term of this Agreement to bargain collectively with respect to any matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement.

This contract represents the entire Agreement between the parties and no other agreements or practices are binding upon either party hereto with respect to wages, hours, or working conditions of the employees covered.

Section 5

The District reserves the right to subcontract bargaining unit work subject to its obligation to negotiate the impact that any subcontracting decision would have on bargaining unit employees.

ARTICLE 4
NEGOTIATIONS

Section 1 – Collective Bargaining

The Union and the Board shall negotiate an Agreement including the determination of wages, hours, terms and conditions of employment. The Agreement so bargained shall be reduced to writing and signed by representatives of the Union and the Board.

At the request of both parties, a mediator shall be appointed subject to PERC guidelines. Subsequent to reaching impasse, the parties may mutually agree to continue negotiations in an effort to reach further tentative agreements.

There shall be two officially signed copies of this Agreement. One copy shall be retained by the Board and one by the Union. The Board shall have the responsibility of printing this Agreement at its cost. Printing shall occur within four regular work weeks of ratification and signing by both parties.

Resumption of Negotiations – If either party shall fail to ratify the tentative agreement, that party shall notify the other within five (5) working days, shall inform the other party to the extent possible of the reasons for rejection and shall confer with the other party to arrange a date, time and place to resume negotiations with ten (10) working days of such notice.

The Board agrees not to negotiate directly with employees, rather than the Union. The Board further agrees not to negotiate or otherwise deal with any other organization(s) purporting to represent bargaining unit employees during the term of this Agreement.

A. The Board shall comply in all respects with current state and federal laws concerning public school system employee personnel files. The term “personnel files” refers to all records, information, data or materials, which are maintained by the School Board anywhere (including the work site file), which are uniquely applicable to that employee, whether maintained in one or more location. All files maintained on employees shall be confidential except as provided in School Board Rules or Florida Statutes.

B. An employee, or his designee authorized in writing, shall have the right, upon request, to review all documents contained in his own official personnel file and in the files maintained by a principal or work site administrator, whether or not such documents are subject to public disclosure under state law. The sole exception shall be records, which are expressly restricted from disclosure by law. The employee must make an appointment with the Human Resources Department, the school principal or work site administrator, as the case may be, in order that a managerial employee will be present when the employee’s file is inspected.

C. A Union representative shall receive one copy of any document in an employee’s personnel file if either: (a) the employee has given the Union written consent to review the file; or (b) review of the file is pertinent to the Union’s role in enforcing this Agreement. All documents used for investigations remain confidential as prescribed by state law.

D. An employee shall receive one copy of any document in his own personnel file upon request to the Human Resources Department.

E. No anonymous letters or materials shall be placed in the personnel file. Such material must be reduced to writing within forty-five (45) days and signed by a person competent to know the facts or make the judgment. Additional material may be added to clarify or simplify as needed. A copy of all such materials to be placed in the personnel file shall be provided to the employee either: (1) by certified mail, return receipt requested to his/her address of record; (2) by personal delivery or the employee (employee’s signature on a copy of the materials signifies receipt only); or (3) by a personal delivery to the employee with a statement by a non-bargaining unit witness certifying personal delivery to the employee.

F. An employee may have information placed in their file that pertains to their job performance, attitude, skills or qualifications by submitting it to the Human Resources Department.

3. Committee meetings are open to the public, though only committee members shall have voice and vote in the meetings.

Section 2

Committee members shall not be paid for time spent at committee meetings, unless such meetings are held during the employees regularly scheduled work hours.

Section 3

ARTICLE 8

NO STRIKE/NO LOCKOUT

The Union agrees that during the term of this agreement neither it nor its members shall participate in a strike against the Board by instigating, encouraging or supporting in any manner a strike. "Strike" means the concerted failure of employees to report for duty; the concerted absence of employees from their positions; the concerted stoppage of work by employees, the concerted submission of resignations by employees; the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment for the purpose of inducing, influencing, condoning or coercing a change in the terms and conditions of employment or the rights, privileges or obligations of public employment, or participating in a deliberate and concerted course of conduct which adversely affects the services of the Board; the concerted failure of employees to report for work after the expiration of this Agreement; and picketing in furtherance of a work stoppage. The term "strike" is not to be construed as participation in legitimate political activity.

The Union further agrees that it will do everything in its power to prevent its members from engaging in a strike and that in the event a strike does occur; the Union will use all available means to effectuate a cessation of the strike activity.

It is expressly agreed and understood that in the event of a strike the Board may, in addition to other remedies available to it under law, petition a court of competent jurisdiction for appropriate injunctive relief.

ARTICLE 9

EVALUATIONS

Both parties agree that the Superintendent is responsible for the evaluation of performance of all bargaining unit employees. The overall purpose of this process is to improve the quality of services rendered to the public by providing employees with feedback and record of their service to the District.

Section 1 – Performance Improvement Plan

If matters arise which may later form the basis for an unsatisfactory rating on a performance evaluation, such matters will be made the subject of a written performance improvement plan – PIP (Attached as Appendix A). It shall be the responsibility of the supervisor/administrator to identify when an employee requires the assistance of a PIP for the purpose of improving performance deficiencies. The PIP shall be prepared and given to the employee within ten business days after the supervisor/administrator becomes aware of the matters giving rise to the need for a PIP. The components and procedure for preparing a PIP will be as follows:

- A. A PIP will be prepared by the employee's supervisor/administrator on a form prescribed by the district.
- B. The PIP will identify particular areas of concern and specific recommendations for improvement. The PIP will so reference effective and ineffective behaviors.
- C. A copy of the PIP will be given to the employee, reviewed with the employee in a private meeting, and placed in the employee's personnel file.
- D. The employee will sign and date the PIP; however, the employee's signature will not necessarily indicate acceptance or rejection.
- E. The employee may submit a written response to the PIP within ten (10) business day after its receipt. The response will also be made part of the personnel file.
- F. The PIP will include a defined, reasonable length of time to correct performance deficiencies and the consequences for failing to achieve effective performance. The supervisor/administrator will meet with the employee no later than the end of this time period and document the employee's success/failure to comply with the specific recommendations in writing. The employee will be responsible for completing the PIP.

G. The employee may submit a written response to the success/failure documentation within ten (10) business days after receipt. This response will also be made part of the personnel file.

Section 2 – Performance Assessment

A. All non-probationary employees will be formally evaluated by their supervisor/administrator at least once annually in writing.

B. The formal evaluation will service as a basis for discussion for recording satisfactory performance by an employee and where an employee's performance is unsatisfactory. (Attached as Appendix B).

1. The employee will receive, in a private meeting a completed copy of his/her formal evaluation. The supervisor or administrator and the employee will sign and date the completed form. The employee's signature will not necessarily imply agreement with the evaluation, but acknowledge receipt. The employee will have the right to discuss the evaluation with the supervisor/administrator.

2. Evaluations will be prepared and given by the employee's supervisor/administrator only; provided, however that the preparer of the evaluation may secure the input of other supervisors who the employee has reported to during the rating period. The input will be fully disclosed to the employee.

3. The employee will have ten (10) business days to respond in writing to the evaluation and said response will be made a part of the employee's personnel file. The employee then may request a follow-up meeting with the evaluator. If the employee reasonably believes that this meeting will lead to disciplinary action, he or she is entitled, upon request, to the presence of a Union steward/representative.

ARTICLE 10

DUES DEDUCTION

Dues Deduction: The Board shall deduct from the pay of each eligible employee all membership dues of the Union, provided that at the time of such deduction there is, in the possession of the Board, a valid written authorization for dues deduction executed by the employee.

The Union will notify the District of the specific amount of dues deduction 7 working days prior to implementation of the dues deduction. Such dues shall remain constant unless there is change in the employee(s) wage(s).

Any eligible employee may authorize dues deduction by presenting an authorization card to the Board.

The Union shall indemnify and save harmless the Board from any and all claims, demands, suits and costs, including reasonable attorney's fees, incurred in connection with the administration of this item, provided the Board acts in compliance with its dues deduction obligations. The Union assumes full responsibility for the disposition of the money's so deducted once they have been turned over to the designated official of the Union.

The Board will not collect fines, penalties, or non-uniform assessments on behalf of the Union.

The Union will not be assessed a service charge for cost incurred by the Board in order to provide any dues deduction requested by the Union pursuant to Florida Statutes.

All bargaining unit members shall have entire liberty of political action when not engaged actively in their duties, such as during their breaks and rest periods, provided such action is not disruptive or coercive, is within the laws of the United States of America and the

State of Florida, and provided further that such action does not violate their responsibilities as an employee.

The School Board will not deduct from the paychecks of employees covered by this Agreement any political contributions, including but not limited to, the Union's D.R.I.V.E. fund. However, in the event a Florida court of competent jurisdiction determines that it is permissible by law for School Boards to allow such deductions for political contributions, the Board, upon request by the union, agrees that it will allow voluntary deductions for political contributions for bargaining unit employees upon conditions mutually agreed to by the Union and the Board.

The length of the work week may be changed by the Employer as operating conditions may demand; provided, however, that the employee shall receive 14 calendar day’s notice prior to such contemplated change, absent emergency circumstances.

The beginning and ending times of shifts shall be determined by the Employer. The beginning and ending times of shifts may be changed by the Employer as operating conditions may demand; provided, however, that the employee shall receive 14 calendar days notice prior to such contemplated change if the change is greater than two hours, absent emergency circumstances.

B. Regular full time bargaining unit employees working on a nine month basis shall be afforded six (6) paid holidays. Regular full time bargaining unit employee working on a twelve (12) month basis shall receive twelve (12) paid holidays. The days to be taken as holidays shall be established by the District.

Section 2 – Reduction in Hours

A. If a reduction in employee hours becomes necessary, the supervising administrator shall give the employee(s) impacted no less than five (5) work days; provided however, this shall not apply to changes in transportation routes. The supervising administrator shall first seek volunteers from among the employee group or classification affected to agree to reduction in hours. If there are no, or not enough, employees who volunteer for reduction in hours, those with the least continuous service in the School District will have their hours reduced, providing that the remaining employees meet the qualifications of the position(s) in question and the program needs of the site.

B. If a reduction in hours would result in an employee being changed from a benefited to a non-benefited position, the hours' reduced shall be considered an allocation reduction and shall be governed by Article 13 of this Agreement.

C. For the purposes of this Section, the term "reduction in hours" shall include any reduction from school year to school year or within the school year, in the Board approved standard work calendar and hours prescribed for the position for which the employee is assigned. This does not include extra work assignments or overtime that the employee may perform.

D. Whenever a custodian is absent from work for a period of longer than three (3) consecutive days, the supervising administrator shall attempt to secure a substitute custodian to fill in, attempt to adjust the schedules of the remaining custodians, or offer extra work to the remaining custodians, pursuant to Section 3 below, in an effort to cover the workload.

ARTICLE 13

LAYOFFS

Section 1 – Worksite Allocation Reduction

If there is an allocation reduction at a worksite for any reason and transfers become necessary, then transfers shall be on a voluntary basis whenever practicable. The site administrator will meet with the affected departments/programs to review reductions to be made and seek volunteers to transfer. The names of the volunteers shall be given to the Human Resources Department for distribution to site administrators with vacancies. If there is a worksite allocation reduction, the Union shall be given at least fifteen (15) days of advance notice.

If no, or not enough employees volunteer for transfer, those with the least continuous service in the School District will be placed in the same or similar position at other worksites, providing the employees transferred and the employees remaining in the site possess the necessary skills, ability and qualifications to meet both the requirements of the position in question and the program needs of the site.

If an employee possesses qualifications for two or more positions, qualifications for an available similar position will be considered first when placing the employee.

Allocation reduction employees will be assisted in the same or a similar position within the District. Allocation reduction employees will be placed in a position for which they are qualified before a new, temporary, emergency, seasonal or provisional employee may be hired. This does not restrict the right of the Board to place a substitute employee in the vacant position pending formal transfer of the allocation reduction employee. Employees may be offered alternative positions for which they are qualified. Employees offered the same or similar position in the District who refuses to accept the offer shall be considered to have voluntarily resigned.

Section 2 – Reduction in Force – District Wide

The Superintendent may lay off an employee or employees when it is deemed necessary by reason of shortage of funds, lack of work, the abolition of positions, material changes in the job duties or organization structure, or for other reasons within the discretion of the Board consistent with this Agreement. In the event the Board determines that a layoff is necessary, the Union shall be given at least forty-five (45) days advance notice.

In the event of a district-wide reduction in force, temporary, emergency, seasonal, or provisional employees in the classification and department affected shall be first laid off. If further reductions are necessary, newly hired probationary employees shall be laid off.

Employees who are on promotional probation and non-probationary employees shall be laid off subsequent to the above. In making reductions in force for employees who are on promotional probation and non-probationary employees, employees with the least seniority as defined in Article 11 of this Agreement shall be laid off first, providing that the employees remaining in the District possess the necessary skills, ability and qualifications to meet both the requirements of the position in question and the program needs of the school.

Any employee who is to be laid off will be given a minimum of ten (10) working days notice of the pending layoff, unless a District financial crisis exists. Such notice will include the proposed time schedule, the reasons for the proposed action and his/her recall rights as set forth in this Article.

An employee who is laid off shall have recall rights for nine (9) months. In the event of a recall, all laid off employees shall be notified and recalled in inverse order of their lay-off, provided they have the skill, ability and qualifications required to perform the job. New employees shall not be hired into positions for which there are qualified laid off employees. Seniority shall be terminated if the laid off employee fails to or refuses to report to work within twelve (12) calendar days of a recall from layoff, and the individual shall be considered to have voluntarily resigned. Notice of recall for this purpose shall be deemed sufficient if delivered to the employee personally or if the employee is notified by registered mail at his or her last known address on file at the Board. It shall be the employee's duty to ensure that the Board has current information regarding his or her place of residence and telephone number.

Laid off employees will receive payment for accrued sick and/or vacation leave pursuant to State law. An employee who is laid off shall have the right to purchase employee benefits as provided through COBRA.

Laid off employees (whether worksite or district-wide reductions) shall be offered recall to their previous position before a new, temporary, emergency, seasonal, or provisional employee can be placed in that position. A vacancy shall not be deemed to exist unless the laid off employee has refused recall or fails to report to that position.

ARTICLE 14

GRIEVANCE/ARBITRATION

Section 1 – Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may arise affecting the welfare or working conditions of employees.

Section 2 – Definition of Grievance

A grievance within the meaning of this Agreement shall consist of an allegation that there has been a misapplication or misinterpretation of any of the provisions of this Agreement.

Section 3 – Representation

A. All bargaining unit employees shall have the right of Union representation at each step of the grievance procedure, if they desire and the Union agrees. If a bargaining unit employee desires Union representation, and the Union agrees to represent the grievant, no grievant will be required to discuss any grievance if a designated Union representative is not present.

B. The Union shall provide the Board a list of stewards and representatives who shall serve as representatives of an employee grievant when he or she desires representation and the Union agrees to represent the grievant. The Board shall have no obligation to deal with individuals identifying themselves as stewards or representatives who are not on the list submitted by the Union. The Union shall notify the Board of changes in a timely manner.

C. Nothing in this Agreement shall be construed to prevent any bargaining unit employee from presenting, at any time, his or her own grievance in person or by legal counsel to the responsible supervising administrator which alleges violation of a specific article and section of this Agreement. Such grievances may be adjusted without the intervention of the Union, but no adjustment will be made that is inconsistent with the terms of this Agreement and must be presented as outlined in Florida Statutes. Prior to the presentation of such grievance, the employee shall furnish the Superintendent or designee with a written statement from the Union indicating that the Union will not represent the employee. An employee must exhaust the entire negotiated grievance procedure, including arbitration, before initiating an appeal to the School Board. When presenting his or her own grievance and notwithstanding any other terms and conditions set forth in this Agreement, the employee shall bear the full costs of all expenses, including but not limited to, time lost from work, expense of his or her own counsel, fees for the

preparation and presentation of documents and fees, services or other costs of an arbitrator, costs of transcripts, fees charged for the use of meeting/hearing room(s) or other facility, or any other appeal. The union shall be given reasonable opportunity to be present at any meeting called for the resolution of such grievances.

D. When attending meetings called at any step of the grievance procedure during working hours, the steward shall notify his or her manager of the time that such meeting will begin and shall report back to work immediately after the end of the meeting. While attending such meetings during work time, the steward shall suffer no loss of pay and shall not be required to use accumulated leave. The steward shall not be compensated for attending such meetings outside of his or her regular work time.

Section 4- Effect of Time Limits

A. The failure of the grievant and/or the Union to file the grievance or proceed from one step of the grievance procedure to the next step within the time limits set forth herein shall be deemed to be a waiver of the grievance and shall constitute a waiver of all future appeals concerning the particular grievance.

B. The failure on the part of any Board representative to render a decision on the grievance within the time limits set forth in this Agreement shall operate as a denial of the grievance, and entitle the employee to proceed to the next step.

C. All time limits may be extended by mutual written agreement. The term day or workdays for purposes of this Article shall be defined as Monday through Friday, exclusive of recognized holidays. The parties agree it is important that grievances be processed as rapidly as possible. The number of days indicated at each level is to be considered the maximum and every effort shall be made to expedite the process before the deadlines are reached. The day following the day the grievant knew or should have known of the occurrence on which a grievance is based shall be counted as the first day for purposes of filing a grievance.

Section 5 – Grievance Procedure

A. Any grievance arising under this Agreement, whether pursued independently or with union representation, shall be processed through the grievance procedures as outlined herein until resolution is reached or the grievance is waived. A grievance may be withdrawn at any level. By mutual written consent, the parties may agree to bypass any step in this procedure.

B. At any meeting called at any step of the grievance procedure, the grievant shall be entitled to the presence of a steward and/or a representative; provided, however, that the inability of a particular steward or representative to attend a meeting that was mutually agreed upon within the time frames for the Board representative to respond to a grievance

shall not be grounds for the meeting to be postponed beyond five (5) working days from when the meeting was initially set. All meetings at any level of the grievance procedure will be held during a time that will not interfere with the employee's duties and responsibilities. In the event a meeting is required by management, outside of normal working hours, the employee shall not be compensated for time spent in such meeting.

C. In the event that an employee believes there is a basis for a grievance, the grievant shall first meet informally with his or her immediate supervisor. The purpose of this meeting shall be to provide an opportunity for both parties, the grievant and the supervisor, to discuss the situation, share all pertinent information, and to attempt to reach resolution of the situation. A Union Representative shall have the right to be present at this discussion, at the employee's request. Any adjustment reached in the informal discussion must be consistent with the terms of this Agreement unless approved by the Union and the Superintendent, and committed to writing by both entities.

D. If the informal discussion fails to bring about resolution of the matter, the employee may file a formal written grievance pursuant to the steps set forth below. (Attached as Appendix D)

Step I

In order to be deemed timely, a written grievance must be delivered in person or by certified mail, return receipt requested, to the grievant Supervising Administrator with ten (10) days after the grievant knew or should have known of the occurrence on which the grievance is based. The failure of any employee to meet this time limit shall render the grievance moot, and the Board shall have no obligation thereafter to process the grievance through the steps of the grievance procedure, including arbitration.

All written grievances must be presented on the official Union grievance form, attached to this Agreement as Appendix D.

The Supervising Administrator shall meet with the employee and the Union representative(s) within five (5) days after receiving the written grievance.

The Supervising Administrator shall have seven (7) days from the Step I meeting to render a written response. The response shall contain a reasonably complete explanation for the grievance being granted or denied.

Step II

If the aggrieved employee is not satisfied with the response of the Supervising Administrator, he or she may appeal the response in writing to the Director of Human Resources, in person or by certified mail, return receipt requested, within seven (7) days after receipt of the written decision of the Supervising Administrator.

The Director of Human Resources shall have a meeting with employee and the Union representative(s) to discuss the grievance within seven (7) days after receiving the written grievance.

The Director of Human Resources shall have seven (7) days from the Step II meeting to render a written decision in response to the grievance. The Director of Human Resources shall be required to explain his or her reasons for granting or denying the grievance only if it differs from the decision of the Supervising Administrator.

Step III

If the aggrieved employee is not satisfied with the response of the Director of Human Resources, he or she may appeal the response in writing to the Superintendent, either in person or by certified mail, return receipt requested, within seven (7) working days after receipt of the written decision of the Director of Human Resources.

The Superintendent or his/her designee shall have a meeting with the employee and the Union representative(s) to discuss the grievance within seven (7) days after receiving the grievance.

The Superintendent or his/her designee shall have ten (10) days from the Step III meeting to render a written decision in response to the grievance. The Superintendent or his/her designee shall only be required to explain his/her reasons for granting or denying the grievance if it differs from the decision of the Supervising Administrator or the Director of Human Resources.

Step IV

Within fifteen (15) days after receipt of the previous decision the Union may invoke arbitration by filing a request for arbitration with the Federal Mediation and Conciliation Service (FMCS) and by delivering a copy of the request to the Superintendent in person or via certified mail, return receipt requested. The party filing for arbitration shall be responsible for any and all filing fees or other costs of securing the arbitration panel from FMCS.

FMCS shall furnish a panel of seven (7) names. Within seven (7) days of receipt of the panel from FMCS, either party shall have the right to reject the first list provided before the striking out of names occurs. Upon rejection of the first list, either party may request a second panel of seven (7) names from FMCS. Each party is limited to one (1) list rejection. No more than (2) panels may be rejected by the parties per arbitration. Within seven (7) days of receipt of the final list from the FMCS, the parties shall select an arbitrator from the list by alternately striking three (3) names each, thus leaving the seventh who shall be the impartial arbitrator. The party requesting the list shall have the first strike.

Once selected, the arbitrator shall proceed as soon as practicable to hold a hearing and render a decision regarding the grievance. No later than twenty (20) days prior to the hearing, each party shall submit to each other all documents that they intend on introducing into evidence at the hearing. Any documents not provided at this stage in the proceedings cannot be considered by the arbitrator absent mutual consent of the parties. The lone exception to this rule is where a party seeks to introduce newly discovered evidence which by due diligence could not have been discovered in time for making the initial submission to the arbitrator. In this instance, the party seeking to introduce evidence to the arbitrator not previously disclosed must demonstrate that the evidence is material to the outcome of the case and that it could not have been discovered prior to the initial disclosure by an exercise of due diligence. The question of whether due diligence was exercised shall be determined by the arbitrator.

It shall be the function of the arbitrator, and he or she shall be empowered, except as his powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement. The arbitrator shall have no power to change any policy, or rule of the Board, nor to substitute his or her judgment for that of the Board as to the reasonableness of such policy or rule. The arbitrator shall not have the authority to add to, subtract from, disregard, alter or modify any of the terms of this Agreement. If either party disputes the arbitrator of any grievance under the terms of this Agreement, the arbitrator shall be presented with and decide that issue at the outset of the hearing and shall decide if the grievance is arbitrator, subject to judicial review in accordance with law. The arbitrator may hear more than one (1) grievance at a time by mutual consent of the parties. The arbitrator shall have no authority to consider or rule upon any matter, which is not a grievance as defined in this Agreement. The discipline, suspension or termination of an employee who has been employed less than the full probationary period (first ninety calendar days for purposes of this Article) shall not be made the subject of a grievance.

In all disciplinary cases at arbitration, the Board shall have the burden of proof by a preponderance of the evidence. In all non-disciplinary cases at arbitration, the grievant and/or Union shall have the burden of proof by a preponderance of the evidence. The hearing shall be conducted in accordance with the rules of the Federal Mediation and Conciliation Service.

The arbitrator may not issue declaratory or advisory opinions and shall confine him or herself exclusively to the question, which is presented. The arbitrator shall issue a final and binding decision and award, subject only to appeal pursuant to applicable provisions of the law. The arbitrator's decision will be in writing and will set forth findings of fact, reasoning and conclusions on the issues submitted.

Section 6 – Other Provisions

A. Each party shall bear the expense of its own witnesses and its own representatives. The parties shall equally bear the expense of the impartial arbitrator. Any party requesting a copy of the transcript of such arbitrator shall bear the cost of same. The Union shall not be responsible for costs of the arbitrator or the arbitration process if the Union does not desire to carry a specific grievance to arbitration. In such case, the grievant(s) may proceed to arbitration independently, provided that the costs thereof are assumed by the grievant(s). The Union, however, shall be entitled to be present during the arbitration hearing. The Union shall not be bound by any decision of any arbitrator in any case that they do not participate in.

B. All bargaining unit employees shall have the right to meet with a Union representative during regular work hours with pay for a period of time not to exceed one (1) hour where in the opinion of the grievant immediate supervisor such access would not interfere with the duties or responsibilities of the grievant and where the Union is investigating the facts to file or pursue a grievance. Upon entering District property, Union representatives shall comply with the sign-in/sign-out procedures of the Board.

C. In dealing with the processing of grievances, Union representatives shall be granted reasonable access to classified personnel during the working day where in the opinion of the grievant immediate supervisor such access will not interfere with the duties or responsibilities of the persons involved.

D. No reprisals shall be invoked against any party or parties for processing a grievance or participating in any way in the grievance procedure.

E. Documents of any kind or form pertaining to the initiating, processing or settlement of any grievance shall be placed in a separate file established solely for this purpose. Said separate file shall be accessible to the Union and to the grievant(s) and to the public to the extent required by law.

Section 7 – Back Pay

Back pay, if any, shall be determined by the arbitrator; provided, however, that the arbitrator must take into consideration such factors as unemployment compensation or earnings after suspension or termination by the Board; provided, however, that amount of back pay awarded shall not be reduced by the compensation earned by the grievant from

the grievant “normal” second job during the period of time he or she was on suspension or discharge.

Section 8 – Class Action Grievances

The Union has the right to file a class action grievance on behalf of two or more bargaining unit employees of the same class. All class action grievances must be filed on the Union class action grievance form attached as Appendix D. In order to constitute a class action grievance, the employees involved must all have common duties, functions and responsibilities, or all must have the same grounds for the grievance. A class action cannot be instituted where disciplinary action is involved.

ARTICLE 15

PROBATIONARY PERIOD

Section 1 – Probationary Appointment Status

A. All newly hired employees will be placed on a ninety (90) work day probationary status, which includes paid holidays, during which time the employee may be terminated without cause. Termination of a probationary employee shall not be subject to the grievance procedure.

B. Probationary employees who serve the entire probationary period shall be given a short, written evaluation of their work after one month and again after three months.

C. During the probationary period, employees will enjoy all rights guaranteed by this Agreement, with the sole exception of appeal through the grievance and arbitration procedure upon discharge. Probationary employees shall be entitled to health benefits the first day of the month following their hire date. Vacation accruals, if applicable, the first day of the month following ninety (90) work days of continuous employment.

Section 2 – Regular Status

Upon successful completion of the ninety (90) work days probationary period, an individual will be converted to a regular status employee.

Section 3 – Return to Probationary Status

A regular status bargaining unit employee who transfers to a different position within the bargaining unit with substantially different job responsibilities shall be placed under probation for a period ninety (90) work days as recommended by the supervising administrator. The employee shall be informed in writing by the hiring administrator that they are recommended for probation at the time they are offered the transfer.

(1) At the conclusion of the ninety (90) work day probationary period, if the employee's performance is deemed satisfactory by the supervising administrator, the employee shall be made a regular status employee in the new position.

(2) If at any time during the ninety (90) work day probationary period, the supervising administrator determines that the employee is not performing satisfactorily, the employee will be given the opportunity to return to the previously held position, if it exists and is available. If the previously held position does not exist or is not available, the employee shall be offered a similar position as determined by the District, if such position is

available. An employee who refuses to accept an offer by the District for the same or similar position, the refusal will be considered a voluntary resignation. An employee who returns to a previous level shall retain the employment status previously held at that level.

ARTICLE 16

DISCIPLINE AND DISCHARGE

Section 1 – Discipline

A regular status employee may be disciplined and/or discharged for just cause, which may include, but is not limited to the following:

- a. Unsatisfactory job performance;
- b. Violation of the School Board Rules;
- c. Insubordination (refusal to follow a proper directive, order or assignment from a supervisor);
- d. Immorality as defined in Florida School Code;
- e. Misconduct in office as defined in Florida School Code;
- f. Incompetence as defined in Florida School Code;
- g. Willful neglect of duty as defined in Florida School Code;
- h. Drunkenness or under the influence of any illicit drug on the job;
- i. Conviction of any crime involving moral turpitude as defined in Florida School Code;
- j. Endangering the health, safety or welfare of any student or employee of the district;
- k. The conviction of a felony in the State of Florida or notice of conviction of a substantially parallel offense in another jurisdiction;
- l. An act committed while off duty, which because of its publication through the media or otherwise, adversely affects the employees performance or duties, or disrupts the operations of the District, its schools or other facilities;
- m. Improper use of leave;

- n. Failure to perform assigned duties directly related to employee's job classification;
- o. Intentional or negligent damage to School Board property;
- p. Unethical use or administration of test materials;
- q. Failure to report to work;
- r. Any violation of the Code of Ethics and the Principles of Professional Conduct of the Education Profession of Florida.

The offenses listed above are examples only and are not intended to be all inclusive. Each situation will be treated on an individual basis, taking into consideration such factors as (1) the seriousness of the offense or performance deficiency; (2) the impact of the offense or performance deficiency on the employee's job performance; (3) the extent to which the offense or performance deficiency was the result of mistake or inadvertence; (4) the employee's length of service; (5) the employee's disciplinary record; (6) the impact on student(s) or employee(s) health, safety and welfare; and (7) mitigating or unusual circumstances. Notice of any proposed suspension, discharge or other disciplinary action shall be given in writing to the employee at least 10 days before the Board takes action on the disciplinary action.

Section 2 – Progressive Discipline

It is the School Board's policy to emphasize an individual's responsibility for managing his or her performance, behavior, and promoting the proper management of the operations and employees. The Board's system of corrective actions focuses on communicating an expectation of change and improvement while at the same time maintaining concern for the seriousness of the situation. If an employee has a conduct, attendance, or work performance problem, corrective action may be necessary to address the situation. The Board's approach is designed to provide the opportunity to correct deficient performance and build commitment to expected performance in a manner that is fair and equitable to all employees. Each step is a reminder of expected performance, stressing decision making and individual responsibility.

If an employee has a conduct, attendance or work performance problem, corrective action may be necessary to address the situation. Corrective actions are normally progressive in nature, except where the seriousness of the offense warrants deviation from the normal progressive disciplinary system. Progressive discipline ordinarily will involve any or all of the following steps:

- A. Consultation. Initial minor infractions, irregularities or deficiencies shall first be privately brought to the employee's attention by the supervising administrator. A notation

that consultation was held, and the nature of the consultation shall be noted into the employees personnel file. The purpose of consultation is to allow the supervising administrator to bring to the employee's attention the need to improve his/her performance, work habits, behavior or attitude and to serve as a warning against further repetition of the unsatisfactory conduct/performance. The supervising administrator should utilize the occasion to identify and define the area needing improvement and inform the employee as to how such improvement can be achieved. A Performance Improvement Plan should be considered at this juncture of the progressive disciplinary process.

B. Verbal Warning. If the conduct persists, the supervising administrator shall speak with the employee in private to issue a verbal warning. The supervising administrator shall inform the employee of the basis for the verbal warning and, where appropriate, the steps the employee must take to prevent further disciplinary action. Written notation of the verbal warning shall be placed in the employee's personnel file. The notation shall not be used as the basis for further progressive discipline if no other disciplinary action occurs within twelve (12) months from the date of said warning. A performance improvement plan should be considered at this juncture of the progressive disciplinary process.

C. Written Warning. If the conduct continues, a written warning may be given to an employee. The written warning shall be dated and signed by the supervising administrator and shall include a complete description of the incident or problem, referring to specific times, dates, locations, personnel involved and rules violated. The written warning shall also describe the steps the employee must take to prevent further disciplinary action from occurring. The employee will be notified that further problems may result in more severe disciplinary action up to and including discharge. The written warning shall be given to the employee in private. The employee shall sign the original reprimand which will not necessarily imply that the employee agrees with the contents of the written warning, but only that the employee received it. The written warning shall not be used as the basis for further progressive discipline if no other disciplinary action occurs within twelve (12) months from the date of the written warning. Performance Improvement Plan should be considered at this juncture of the progressive disciplinary process.

D. Suspension With/Without Pay. The Superintendent has the authority to suspend employees with pay, or without pay upon recommendation to the Board. A notice of suspension shall be issued to the employee in writing, dated and signed by the Superintendent. The written notice shall contain a reasonably complete explanation of the conduct or performance that is the reason for the suspension and the steps the employee must take to prevent further disciplinary action. The specific days of suspension shall be recommended by the supervising administrator and clearly set out in the notice.

E. Termination. In those situations where the progressive disciplinary steps have not resulted in modification of the identified behavior, or where the employee commits a

serious infraction, the employee may be terminated from employment. A termination must be made by recommendation of the Superintendent to the Board.

Section 3 – Suspension or Reassignment Pending Investigation of Misconduct

A. Conduct on Duty. An employee may be suspended when his/her inappropriate behavior is so serious that immediate removal from the work place is necessary. The employee shall be required to leave school district property pending investigation and the period of suspension shall be without pay. A suspended employee may not be permitted to work on his/her normal day(s) off, nor take paid leave time, nor make up the time by working overtime in lieu of a payroll deduction for the period of suspension. Some examples would be theft, gross insubordination, threat of violent action, destruction of district property, and violation of School Board Drug Free Workplace Policies. When an investigation has been completed, the appropriate disciplinary step, if any, will be applied.

B. Illegal Conduct On or Off Duty. Employees who are arrested and/or charged with serious criminal offenses may be placed on suspension without pay until final resolution of their case is determined by the court or until the Board completes its internal investigation of the matter. A suspended employee may not be permitted to work on his/her normal day(s) off, nor take paid leave time, nor make up the time by working overtime in lieu of a payroll deduction for the period of suspension. Depending upon the results of the Boards investigation or any adjudication by the court, the employee may then be disciplined up to and including discharge. If an employee is found not guilty by the courts and cleared by the Board's internal investigation of any violations of policy, the individual will be made whole. All employees must comply with reporting of arrests as per School Board policy.

C. An employee who is suspended may pursue appeal rights pursuant to Article 14 of this Agreement and Section 1012.40 Florida Statutes.

Section 4

An employee will be afforded the opportunity to have union representation during the disciplinary process including the issuance of verbal and written discipline.

ARTICLE 17

VACANCIES AND PROMOTIONS

Section 1 – Definitions

A. A vacancy shall be defined as a newly created bargaining unit position or a bargaining unit position that has been permanently vacated by an employee provided the position has not been eliminated. This shall not include those vacancies created where the supervising administrator determines that a position can be filled by reassignments as set forth in Section 3 (Vacancies & Reassignments) below. This article shall only apply to vacancies that occur for positions within the bargaining unit. This article shall not apply to those vacancies that occur as a result of an employee taking a leave of absence as defined in Article 18 of the Agreement.

B. A promotion shall be defined as the movement of an employee from one job classification in the bargaining unit to another job classification in the bargaining unit that carries a higher pay grade.

C. A lateral transfer shall be defined as the movement of an employee from one job classification in the bargaining unit to another job classification in the bargaining unit that carries a higher pay grade.

D. A demotion shall be defined as movement by the supervising administrator of an employee from one job classification in the bargaining unit to another job classification in the bargaining unit that carries a lower pay grade.

Section 2 – Vacancies

A. When the hiring administrator determines vacancies to post, he or she shall post such vacancies through Human Resources at least five (5) days before the final date for application. Each hiring administrator shall be responsible for notifying Human Resources of vacancies to post.

The District's Master Vacancy List, compiled by Human Resources shall include the following information: job title, initial posting date, work site location, name of supervising administrator, and deadline for submitting an application for the vacant position. Each hiring administrator shall make available, upon request, information regarding qualifications of the job and job description. The process of interviewing and selecting a candidate for the vacancy shall not begin until after the deadline for submitting applications has passed. The work site administrator or school principal may contact applicants to schedule interviews prior to the deadline. Interviews may not begin until after the deadline.

B. In order to be considered for the position, individuals must submit a letter of intent to the administrative supervisor that oversees the advertised position prior to the established deadline. Individuals may include a current resume and any other pertinent, job-related information.

C. It shall be the responsibility of the hiring administrator to hire the best qualified candidate from the applications submitted, including any external applicants. In making decisions relating to vacancies the hiring administrator shall take into consideration job qualifications and certifications, evaluations, attendance, experience, certifications and previous disciplinary actions. If all these factors are otherwise equal, seniority shall prevail.

Section 3 – Vacancies with Reassignments

Where a vacancy occurs within a work group as a result of an employee resigning, retiring or otherwise separating, and the administrative supervisor determines that he or she can fill the vacancy by offering reassignments to current employees within the workgroup, the supervising administrator shall advise current employees at the work site who are qualified for the vacant position that a vacancy has been created. Employees in the work group who are interested in filling the vacancy shall so indicate in writing to the supervising administrator. The Supervising administrator will consider any qualified employees who apply. “Work group” shall be defined as those groups of employees having common duties and job title.

Section 4 – Promotions

A. Whenever a bargaining unit employee applies for a posted vacancy that would result in a promotion to the employee, the supervising administrator filling the position will consider all applicants, including candidates external to the system.

B. Individuals who apply for a vacant position that would result in a promotion to the employee will be notified in writing by the hiring administrator whether they have been selected for the position.

C. Employees selected to fill a vacancy that would result in a promotion shall have their base rate increased to the minimum of the new classification’s pay grade.

D. In making decisions relating to promotions within the bargaining unit the hiring administrator shall take into consideration job qualifications and certifications, evaluations, attendance, experience, certifications and previous disciplinary actions. If all these factors are otherwise equal, seniority shall prevail.

ARTICLE 18

LEAVES

A leave of absence is permission granted by the School Board or allowed under its adopted policies, Chapter 6.0 School Board Rules, for an employee to be absent from duty for a specified period of time with the right to return to employment upon expiration of leave. Any absence of a member of the bargaining unit from duty shall be covered by leave duly authorized and granted. Leave shall be officially granted in advance and shall be used for the purposes set forth in the leave application. Leave for sickness or other emergencies may be deemed to be granted in advance if prompt report is made to proper authority.

Generally no leave except military leave or illness-in-the-line-of-duty will be granted for a period in excess of one year. Illness-in-the-line-of duty leave may not be extended beyond the maximum medical improvement date or a maximum of two (2) years from the date of injury, whichever is the earliest date. Leave may be with or without pay as provided by law, regulations of the State Board, and School Board Rules. For any absence that is without pay, the deduction for each day of absence shall be determined by dividing the annual salary by the number of days/hours for the employment period.

A leave shall not be granted to any employee to accept other employment. Accepting employment while on leave of absence cancels that leave automatically. The person on leave will be notified that he/she must return to work with the School Board immediately, resign or be terminated.

For any medical related leaves of absence, the district reserves the right to require a fitness for duty certification prior to the employee returning to work.

The Superintendent shall develop procedures to implement leave policies.

The Board agrees to provide the Teamsters with a seven day notice of any proposed change in the following leave policies. The Board, upon receiving a request by the Teamsters in writing no less than seven days after its receipt of this notice, agrees that it will negotiate the impact that any proposed change in leave policies would have on bargaining unit members.

EFFECTIVE DATE FOR LEAVE, SUSPENSION, OR TERMINATION

The effective date of any employment termination or unpaid leave of absence shall be the first day on which a School Board employee is not paid, unless otherwise provided herein. The effective date of any suspension or paid leave of absence shall be the first day on which a School Board employee does not work. The following provisions apply to paid benefits for a holiday(s):

I. An employee who terminates employment the day before a holiday shall not receive pay for the holiday(s). The termination date shall be considered the last date for which the employee is paid.
