*Once you have an approved schedule, you can visit the DE Bookstore...*

Secure your service space by entering the virtual line: **CHECK IN HERE** through Waitwhile for your line placement.

The virtual line will be open each day at 8:30 am, we will start serving students at 9:00 am, and we are closing the queue once we receive the amount of students we can serve in one day. If we are able to process more students than expected, then we will open the queue again for students to join. The staff is working non-stop, trying to process as fast as possible; we appreciate your understanding and patience.

## When you arrive at the DE Bookstore:

Wait, once it is your turn, you will receive a text notification, and then you can enter the bookroom.

Make Sure you bring the following:

1. SDOC student ID badge or valid photo ID (i.e., Florida Driver's Permit or License)
2. Any books that need to be returned from your previous DE classes.

Sign up for important text messages about Dual Enrollment using REMIND--just Text @destu to 81010.

## Remember!

1. Students are responsible for picking up their own textbooks.
2. New books will not be issued if:
  - a. You do not have your approved schedule (PDF VERSION).
  - b. Your identity cannot be confirmed.
  - c. You have not returned all books from previous DE checkouts, from the bookroom and/or mailed to your home.
3. If the bookstore is already closed, no more books can be ordered, and the student will be responsible for their own materials.

## What do I do if I have an issue?

- Send a text message through DE Remind as soon as you notice a problem.
- We can assist with incorrect materials, missing or non-working access codes or orders not received within 10 days.

**\*\*\*The longer you wait to report an issue, the more you run the chance of not getting your needed materials for class.\*\*\***
