Rationale for delivering the instruction in the courses and grades selected above *

In elementary, teachers, school counselors, social workers, and psychologists delivered lessons to each grade level.

In middle and high schools, the classroom teachers delivered lessons.

In all situations, teachers completed training in order to be able to follow the program expectations and guidelines. Counselors and administrators were always available for students who displayed any concerning behaviors.

The district posted a specific timeline to the public that outlined the dates for each of the topics being covered.
