1. Go to www.impacttestonline.com/testing
2. Make sure you use a mouse or a trackpad. This cannot be done on a phone or touch screen device.
3. Click launch test.
4. Enter customer ID code: 5IEK32EORR (make sure letters are all capitol)
5. When answering demographic questions – please read carefully. Common mistakes: In years of experience and years of school - DO NOT count this school year. Example – sophomores would choose 9 – since they have not completed 10th. If you take medicine and do not know what it is called – put what medical condition it is for. When asked about prior concussions – do not mark anything unless a medical doctor has diagnosed you as such. If you do not remember the exact date of diagnosis – just provide an approximate date. When entering current symptoms – mark NOT EXPERIENCING unless you have recently been diagnosed by a medical doctor with a concussion.
6. READ ALL INSTRUCTIONS CAREFULLY AND MULTIPLE TIMES BEFORE TAKING A SECTION OF THE TEST. BE AWARE THAT SCORES ARE FOR ACCURACY, TIME, AND CORRECTNESS.
7. At the end you do NOT need to email yourself – just exit out of the website.

Please complete this ASAP as you are not eligible to participate in athletic tryouts or games without it.
