Virtual Meetings During Social Distancing Restrictions

If you are considering conducting a virtual SAC meeting during this time for social distancing, please ensure you follow the CDC and District guidelines and ensure it is open to the public (give information so the public can access the SAC meeting if wanted). Please ensure you follow all SAC Bylaws especially the following:

Reasonable Notice of Meetings

- Section 286.011(1) of the Florida Statutes (2019) indicates that there must be a reasonable notice of meetings. The statute has not exactly defined reasonable notice, but a seven-day notice is generally considered reasonable. The district recommends that a seven-day notice be given before meetings. Ways in which you can give notice include (a) sending home a schedule of meetings for the year, (b) posting the next meeting on the school's marquee, (c) using a bulletin board (located either in the administration office or the media center) and/or a stand dedicated to SAC business in a visible place in the school, or (d) advertising the meeting on the school's website or in a school newsletter.
- In addition to the requirements of reasonable notice outlined in section 286.011(1) of Florida Statutes (2019), Section 1001.452(1)(d)2 of Florida Statutes (2019) requires at least three days' advance notice in writing to all members of the advisory council of any matter that is scheduled to come before the council for a vote. This requirement can be met by publishing the agenda at least three days prior to the meeting. Publishing the agenda may include (a) posting the agenda on the SAC bulletin board, (b) publishing the agenda on the school's website, or (c) distributing the agenda to SAC members three days prior to the meeting.

Also ensure a quorum to be present before a vote may be taken by the school advisory council. A majority of membership of the council constitutes a quorum.
