

NEW

SAT/ACT Waiver Process at SCHS

SAT/CollegeBoard has recently changed their process on distributing fee waivers. All student who wish to obtain a waiver to cover the price of two exams, must first complete an **Alternate Income Verification Form**. Any student without a completed **Alternate Income Verification Form** on file is not eligible for a waiver. CollegeBoard will then determine if the information on the form matches the criteria for a waiver. You can submit this form to your English teacher or to the Guidance office at St. Cloud High School.

There is a new electronic process to request a SAT or ACT Fee Waiver. All requests must be made by completing the form at **<https://bit.ly/waiverSCHS>**. The form asks for student first and last name, student ID number, grade, an email address (school or personal), and which exam(s) they are requesting a waiver for. Once the form has been submitted, the student will receive a response to the provided email the following Wednesday. If they qualify for a waiver, the waiver will be provided as an attachment to the email. All juniors and seniors qualify for an ACT fee waiver and can use up to 4 total waivers prior to graduation.

There is a FREE school day SAT coming up on Wednesday, October 14th that all seniors are automatically registered for (more information to follow later).

****To obtain a fee waiver, a student must complete the Fee Waiver Request. All requests will be responded to the following Wednesday, so please plan accordingly.***
