What is Title I?

- Title I is the largest federal assistance program for the nation's schools.
- The goal of Title I is to provide supplemental funds to assist with closing the achievement gap.
- The funds are disbursed from the federal government, to the State of Florida, and then to the Local Education Agency (LEA), which is the District.
- The District follows the LEA plan for disbursement to the schools.
- **Osceola High School** is a Title I school because more than 70% of the students meet poverty requirements.

- The School District of Osceola County (LEA), will use the remaining 10% of the 1% for parent and family engagement, as well as parent and family events and training.
