Schedule Change Policy:

- **Valid Reason** for schedule change may include computer error, failing a required course, passing a course in summer school, lacking a graduation requirement and/or lacking the proper prerequisite.
- Schedule change requests will NOT be considered for the purpose of teacher preference.
- Failure to complete summer reading does not constitute a valid reason for a schedule change.
- A change request may require the entire schedule to be altered to meet the request you have made. Including different teachers and different class periods.
- All schedule change requests will be considered before school starts in August 2021 on designated times to be announced.

Directions:

- PLEASE DO NOT CHOOSE CLASSES THAT YOU HAVE ALREADY TAKEN!! If unsure, please view your FOCUS or ask your School Counselor.
- Choose top eight (8) electives from the list on the reverse side of this page.
- Number selections in order of preference that you want in your schedule. DO NOT USE CHECK MARKS OR X'S. Writing a number 1 means this is your first choice through the number 8 which is your last preference. If you do not number selections, the courses will be randomly selected for you in no order. Only 2 PE's can be chosen within the 8 selections.
- Not all choices will be part of your schedule; some may be alternates. AGAIN, please pick courses that you are wanting to take within your schedule.
- Modified Schedules are only for Senior students with specific criteria and a meeting is required with Parent and Student before the start of school.
- Please utilize the Curriculum Guide online for descriptions of courses.
- Be aware of the courses that require an application, funds involvement and strict guidelines for course. The Legend below helps you understand what the symbols mean on the reverse side.

I ACKNOWLEDGE THAT I HAVE READ THE SCHEDULE CHANGE POLICY AND DIRECTIONS FOR SELECTING CLASSES FOR THE 2021-2022 SCHOOL YEAR.
