Flag Facts

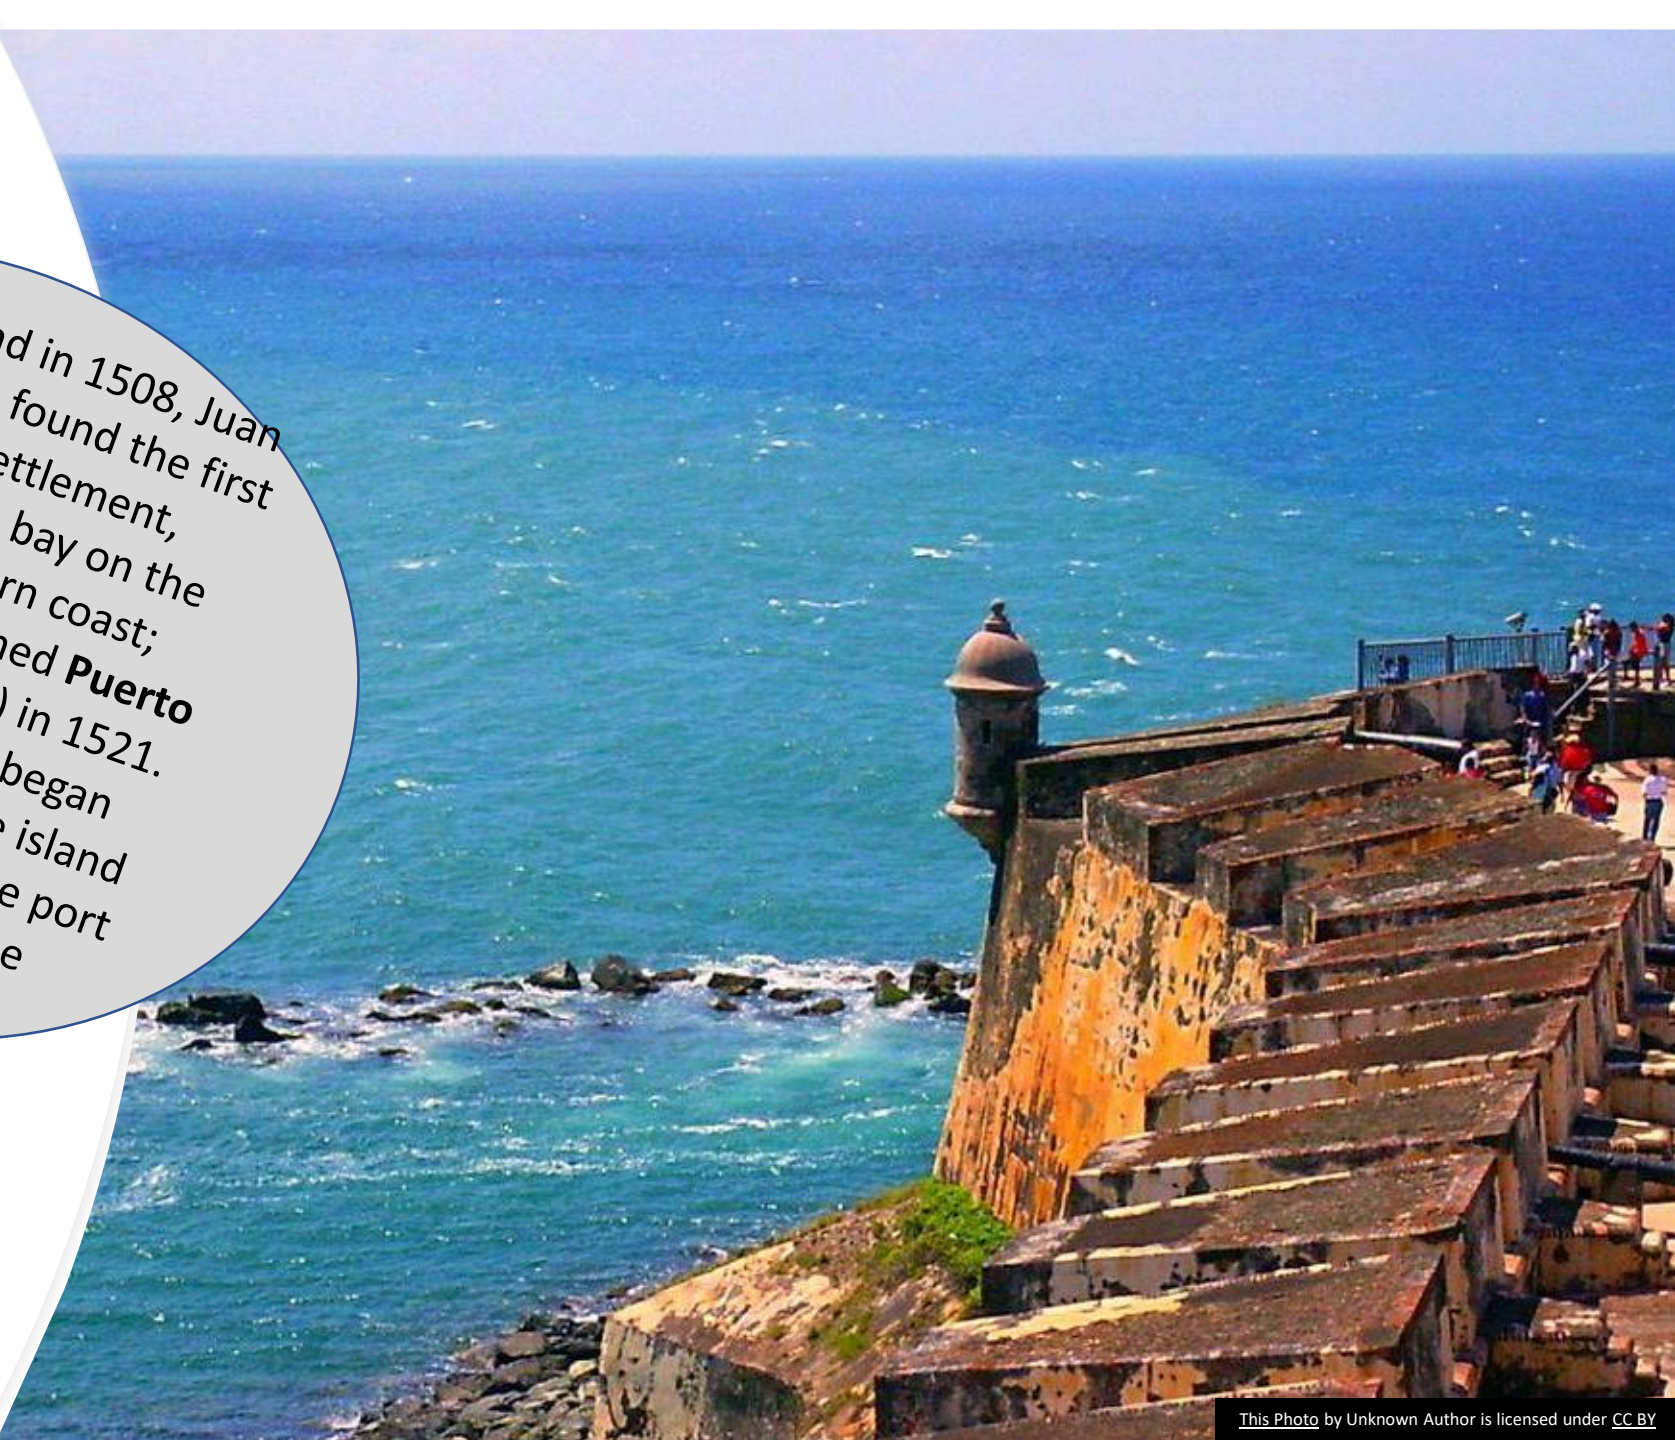

Here are the facts. The 3 red stripes are the blood of the warriors the fought for Puerto Rico and the white is their victory. The blue part is the ocean and the star is their island and I made the flag you see here with shapes
--->

History

Hi I'm Lucy and in 1508, Juan Ponce de León found the first European settlement, Caparra, near a bay on the island's northern coast; Caparra was renamed **Puerto Rico** (or "rich port") in 1521. Over time, people began referring to the entire island by that name, while the port city itself became the capital city San Juan

In Puerto Rico they use the U.S. dollars

Food

Hi it me again lacy
and I'm in a public
place so I have to
wear a mask but one
popular Puerto Rican
food is pasteles and
chef has some to
share.
