

DE Orientation Meeting

Step one and two

Create your Atlas account- will need your Valencia ID number which Valencia emailed to you

Online orientation through Canvas (takes about an hour)

A large, dark blue ink splatter or blotch serves as the background for the text. The splatter has irregular, organic edges with some lighter blue and white areas visible within and around it, suggesting a liquid or paint-like texture. The overall shape is roughly circular but with many protrusions and indentations.
