## College & Career Planning

Tasks that should have been completed

Find Xello on Classlink

### Complete tasks #1

### Complete task #2

## Volunteering in your community

**What is community service?** Volunteer work that is not paid.

**Why volunteer?** Many scholarships require students to complete a required number of community service hours to earn money for college (Go to Xello and research scholarships)

**When should you start volunteering?** Starting early allows more time to complete the number of hours needed (e.g. Bright Futures Scholarship requires between 75 – 100 hours)

### Volunteer Opportunities:

**Museum of Military History**
