

Honors or AP Course Waivers

Osceola High School

2023—2024

Should you request an Honors or AP Level Course, I must adhere to the following:

SUCCESS

- ⇒ I understand that my academic counselor is available to assist me should I need organizational help.
- ⇒ I understand I can do anything with the appropriate mindset!
- ⇒ I know that my teachers believe in me, therefore, I must believe in myself.
- ⇒ I comprehend that excessive absences hinders my learning and makes me behind in my courses.
- ⇒ I will discover the teacher's tutoring schedule ahead of needing it.

COMPLIANCE

- ⇒ Should my grade at Progress Report Time be below a 65%, I will immediately enroll in tutoring with the teacher.
- ⇒ I am aware of the add/drop window for AP/Honor courses. Furthermore, I am well aware of the add/drop policy when the window closes.
- ⇒ I will comply with the Attendance Compulsory Law and report to school 90% of the time.
- ⇒ I will complete and submit all of my assignments by the teacher's deadline.

MOVING FORWARD

- ⇒ I understand that my 9th or 10th grade ELA FAST score was below a 3, therefore, I must work on my reading comprehension efforts.
- ⇒ I am aware that I will be dropped from the course in December should my Semester 1 average be below a 60%. This will be replaced by the on-level course.
- ⇒ I will remain in the communication with my teacher and parent pertaining to my success in the course.

I understand I did not meet the minimum qualifications for an Honors or AP course and an exception is being made for me. Therefore, I will work accordingly to ensure my success in the course.
