Dear Parent or Guardian,

The Every Student Succeeds Act of 2015 (ESSA) requires that any school in receipt of Title I Funds must inform parents if their child is assigned a teacher for four or more consecutive weeks who has not yet met state certification/licensure requirements at the grade level and/or subject area in which the teacher has been assigned.

At this time, your student is receiving instruction in math from Mr. Julio Paucar, a qualified substitute teacher with a valid substitute teaching certificate. He has taught your student since 8/10/23. This individual is providing the best educational experience possible during this interim period. A highly qualified teacher is expected to be hired in a timely manner.

The Osceola County School District is dedicated to meeting the educational needs of our students and we are working to ensure that your student receives the best possible education.

If you have any questions regarding Mr. Julio Paucar's qualifications, please feel free to contact me.

Sincerely,

James Long
