FAMILY CONNECTIONS

We are almost through the 1st nine weeks. Report cards can be viewed through the Parent Portal as of 10/27/23. This is the perfect time to set up Parent-Teacher Conferences to discuss student progress. We ask for support in practicing math facts, model reading time and read a loud with your child. Talk to them about being a responsible student at school, being organized and having a positive attitude. The more parents encourage education, great results will follow.

The PBIS Team (Positive Behavior Intervention System) is in full swing and planning incredible events for students to be rewarded for positive behaviors. Each day, students earn Talon Tickets for displaying and following expectations. Talon Tickets can be saved to purchase items in classroom stores, PBIS Cart or events.

OUT OF FIELD REPORT

At Hickory Tree Elementary School, we are proud to hire *Highly Qualified* teachers and staff for our students. At this time, our listing shows teachers who are "out of field" and working towards completion of their endorsements.

TEACHER LAST NAME	TEACHER FIRST NAME	OUT-OF-FIELD ASSIGNMENT
