BEFORE YOU BEGIN, PLEASE READ THE FOLLOWING EXPECTATIONS:

The National Honor Society recognizes **sophomores, juniors, seniors** who achieve excellence in the areas of scholarship, character, leadership, and service. You must excel in **ALL** four areas. **A minimum of 3.5 cumulative weighted GPA is required** to apply.

The selection committee (faculty council) **will assess your character** through a process involving the following: analysis of your essay, the two formal character and leadership recommendation letters submitted by your chosen teachers, leadership positions, extracurricular activities, and work experience/ recognition/ awards.

The main purpose of this application is for you to inform the selection committee of your history of leadership, character, scholarship, and service. The committee is looking for consistent examples of leadership and service over an extended period of time. **For the purposes of this application,**

your high school career started the summer between your eighth- and ninth-grade years.

A leadership position is any position in which you are in charge of others. Serving in a leadership position means the activity described would not have occurred or would have been greatly impacted without your participation. These can be “traditional” positions such as a team captain or club officer. They can also be somewhat less obvious roles such as organizing a service activity or chairing a school committee. On your application, it is necessary to clearly describe your position and duties, so the faculty committee can understand your role. Please be aware that some positions may sound like leadership positions when they are not. For example, a position that you attain because of a particular skill (such as the first chairs/ Historian in the orchestra) is not necessarily a leadership position unless it is accompanied by leadership responsibilities. **Tutoring is only a service and is not considered leadership.**

A service/community activity is anything you have done to serve your community without receiving compensation (money, personal benefit or academic credit) for your actions. Service can include activities associated with school organizations as well as any community or religious organizations (non-profit organizations). If you use a club for your community hours, then you cannot double dip and also use it towards your activities. For instance: if you are a member of student council and are completing community service or volunteer hours, you cannot use these volunteer hours for both student council and NHS. Office or teacher aides is not considered service.

An extracurricular activity can be a school club, a sport, or an outside club as long as it is organized, meets at least once a month, and has an obvious purpose.

YOUR TWO LETTERS OF RECOMMENDATION MUST ADDRESS TWO TOPICS: LEADERSHIP AND CHARACTER. These must be written by someone who is **a classroom teacher at Harmony High School.** These letters will be evaluated on the ideas that depict your **character** and your **leadership** abilities. Please email your teachers to get these letters.

Your NHS advisors' roles—

To enforce the national guidelines so that HHS can keep its NHS accreditation, to guide you and to provide the evidence for your case to both faculty council and the national organization. Your advisors do not decide if you are accepted or rejected. Faculty Council makes that decision. Their decision is **FINAL**. **The induction ceremony is mandatory for ALL members. Failure to attend the ceremony will preclude a candidate from becoming a member.**

If you have any questions while completing this application, please contact your adviser/president as soon as possible. It is your responsibility to ask any questions BEFORE submitting the application.
