What do you know about the IB Programme?

# International Baccalaureate

The International Baccalaureate® aims to develop ***inquiring, knowledgeable and caring young people*** who help to create a better and more peaceful world through ***intercultural understanding and respect***.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of ***international education and rigorous assessment***.

These programmes encourage students across the world to become ***active, compassionate and lifelong learners*** who understand that other ***people, with their differences, can also be right***.
