On March 28, Moss and the Osceola School District celebrated the groundbreaking of Harmony Middle School AA. Completion of the 170,000-square-foot facility is slated for opening in the following school year. The School District of Osceola County has entrusted Moss, the nation’s leading full-service construction management firm, with the project.

Senior Vice President at Moss. “We know that Harmony Middle School because it has implemented the AVID System throughout the school, and can serve as a role model for all other AVID Demonstration Sites. AVID School in Harmony is a great example of how to work in science inquiry to all levels of students. She gives them the opportunity to understand the dynamics of a school district.

The School District of Osceola County, FL is one of the fastest growing school districts in the nation. The District is home to over 200 schools, and is poised to add over 25 schools in the next 10 years. The new facility will provide space for additional students and will enhance our learning opportunity as we push for excellence in the classroom.
