About the CJBAT
The CJBAT measures the defined "minimum competencies" in three separately timed sections as follows:

Section I - Behavioral Attributes
- There are 47 items. You will be given 20 minutes to complete this section.

Section II - Memorization
- There are 10 items. You will be given one minute to review a picture and 1 ½ minutes to answer the questions associated with the picture.

Section III - Written Comprehension, Written Expression, Deductive Reasoning, and Inductive Reasoning
- There are 40 items. You will be given one hour to complete this section.

There is a total of 97 questions on both versions of the CJBAT. Candidates are given 1 ½ hours to complete the exam. Test scores will be issued immediately following the completion of the exam in a Pass/Fail result. No scores will be provided to candidates, academies, or agencies. In order to receive a passing status, candidates must obtain a score of 70 or higher across all three sections and respond to at least 30 of the 50 questions in sections II and III.

Exams may be taken a maximum of three (3) times in a 12-month period.
