♥ Welcome to Kindergarten

Dear Incoming Kindergarten Families:

Welcome to the School District of Osceola County community! As you get ready to enroll your child in kindergarten, please consider the School District of Osceola County your top choice to keep them thriving throughout their educational journey. Our school district offers every child an enriching learning experience while also providing a nurturing environment for your children to grow to their fullest potential. All elementary schools in our county offer unique extracurricular programming that aligns to the mission of each school. Additionally, our district offers an outstanding after and before school program at each of our schools.

Every school in the district is an AVID school. AVID Elementary is designed to be embedded into the daily instruction of all elementary classrooms. Children learn about organization, study skills, communication, and self-advocacy. AVID Elementary students take structured notes and answer high-level questions that accelerate learning.

Parents may contact the school of their choice for tour information and questions pertaining to kindergarten. Each school will offer perspective students a unique experience, so families are encouraged to contact schools for more information. We hope you and your child (ren) will be able to join us for kindergarten this coming school year! You can also register your child online and call our school if you have any questions. Our school team can be reached at 407-935-3700 if you have any questions regarding registration.

As you consider kindergarten options for your child, look below for what is special about Pleasant Hill Elementary School home of the Pandas:
