### SAFETY

SeaWorld is committed to the health and safety of our guests, employees, and the animals in our care. We have worked diligently with state and local health officials, outside consultants and attraction industry leaders to enhance our already strict health, safety and cleanliness standards. These protocols and guidelines will be modified based on evolving industry standards and methodologies, public health and governmental directives, and advancing scientific knowledge on the transmissibility of COVID-19.

We are excited to continue to provide our guests with fun, inspiring and memorable experiences, while addressing important health and safety needs during this time.
