2 COMMUNICATION

Please be sure to notify your Senior Payroll Clerk ASAP by email every time any employee falls into one of the following situations:

- **Transfers**
- **Goes out on a leave of absence**
- **Comes back from a leave of absence**
- **Will go unpaid for FIVE (5) workdays or more**
- **Requests sick bank time**
- **Resigns**
- **Retires**
- **Has been terminated by an Administrator**

Your email should include:

- ✓ Employee ID #
- ✓ Last Name
- ✓ First Name
- ✓ Pay Type
- ✓ Brief description of the situation
- ✓ Relevant Dates
- ✓ A copy of the action form, if applicable.

3 SICK LEAVE BANK

Please contact the Human Resources Department as soon as possible when an employee has enrolled into the Sick Leave Bank and would like to use this benefit. They will guide you and the employee through the process. Note that sick bank use requests are not automatically approved.

4 POSTING EMPLOYEE PORTAL AND KRONOS DATA

The payroll schedules include the date on which Employee Portal and Kronos data will be posted to the payroll system.

Leave Requests that have been entered and approved in the Employee Portal will post at 10:00 a.m. on the scheduled dates.

Kronos timeclock data will be post at 10:30 a.m. on the scheduled dates.

All leave requests and timeclock data should be reviewed for completeness and accuracy before the scheduled posting dates and times.

5 SECRETARY DUE DATE

The payroll schedules include a “Secretary Due Date.” All payrolls are due by 4:00 pm on the scheduled date for Master and Substitute payrolls. All approved extra pay sheets and stipend payments must be uploaded to the appropriate One Drive folder for the corresponding Master Payroll. Substitute payroll must be uploaded to the appropriate One Drive folder with required signatures. Secretaries are responsible for contacting the Payroll Department as soon as possible if there is an emergency that will prevent the timely submission of payroll.

6 PAYROLL REVIEW PERIOD

Senior Payroll Clerks in the Payroll Department will audit for common errors and areas of concern for up to two (2) days after payroll is submitted. During this time, they may need to contact site secretaries for questions and/or corrections. If the secretary will not be available, a payroll back-up should be available during the review period.

7 ADMINISTRATOR APPROVAL

The payroll schedules include a “Admin Approval Date.” After reviewing each site’s payroll and making necessary adjustments, the Senior Payroll Clerks will contact each site secretary to notify them that their payroll is ready for the site administrator’s approval. Administrators must approve their site’s payroll by the Admin Approval Date to ensure timely processing of employee paychecks.

8 HEALTH BENEFITS DEDUCTIONS

There will be a total of 20 paychecks with health benefit deductions. Runs marked with an asterisk (*) will not include health benefit deductions.

9 FIRST CHECK RUNS

Run #001, July 15th – 12-month benefited employees on active employment status

Due to the compressed processing timeline, checks for this pay date will be processed without leave submission or administrator approval. Extra pay for OPS contracts, stipends or overtime will not be processed on this run.

Run #002, July 29th – 12-month Non-benefited employees

Site secretaries must submit any hours worked for the applicable pay period to ensure that employee receive a check on this date.

Run #003, August 15th – 9-month and 10-month employees on active employment status

Checks for this pay date will be processed without leave for most employees returning to work in August. Leave must still be entered for 12-month staff and for the following paytypes: A4, A5, N5, NF, U3, and U8.

For each of the three (3) payroll runs listed above, site secretaries must thoroughly review the timesheets provided by the Payroll Department to verify that the timesheets only list employees on active employment status. Secretaries should contact their Senior Payroll Clerk if they identify any inactive employees or employees that did not report to work during the first week of school.

10 SUMMER CHECK RUNS

For 9-month and 10-month employees on a 24-pay schedule, “summer checks” are processed near the end of the school year. It is critical to report any unpaid leave during this time to avoid overpayments. Secretaries must notify their Senior Payroll Clerk if any staff on their payroll will be taking unpaid leave.

11 CLEAN-UP RUN

A “clean-up” run is processed in early July to capture any remaining wages due to employees through June 30. Due to the compressed timeline for processing the clean-up run, it is important for secretaries to submit all required payroll documentation as soon as possible, but no later than the scheduled due date. Employee leave will not be posted from the employee portal for this run. However, secretaries should notify their Senior Payroll Clerk if an employee took time off before and up to June 30, and that time was not yet reported through the employee portal.

12 ACTION FORMS

Please copy your site’s Senior Payroll Clerk whenever emailing an Action form to Human Resources. This helps the Senior Payroll Clerks capture important information and make necessary adjustments in a timely manner.
