6th-8th Grade Planning

- ☐ Share your goals with your School Counselor to help get you into the right courses for your future. Enroll in challenging courses in line with your goals and interests. (Remember, high school credit classes start your college application!)
- ☐ Complete lessons and activities on Xello to explore careers aligned with your interests. Save at least 3 careers to discuss with your School Counselor.
- ☐ Practice organizational skills - keep a planner to track homework assignments, upcoming tests, and sports/activities. Good organizational habits will help you succeed in many areas!
- ☐ Do your best in your classes and on standardized tests to have the most options for high school and beyond. If you are having difficulty, don't give up. Get help from a teacher, tutor, or mentor.
- ☐ Explore and engage in after-school activities in line with your interests.
- ☐ Attend school events to learn more about your options in middle school, high school, and beyond. You never know where your journey might take you!
- ☐ Start researching high schools and programs that fit your interests and goals. Options include your zoned school, IB programs, NeoCity Academy, Osceola County School for the Arts, and Professional and Technical High School. You can get more information from your School Counselor.
- ☐ The skills and study habits you're learning today will prepare you for high school, college and life. Ask your teacher or School Counselor for study tips and any help you might need!

CAREER YOU LOOKED AT:

Principal

It's just one of your career matches! Think critically about how your interests and skills line up with a career's aspects. That hard work will result in a list of career options that you can truly see yourself pursuing.

Here's how you can use Xello to keep exploring careers:

- Answer more questions in Matchmaker
- Review and refine your answers as your interests change or develop
- Discuss your top career matches with your family
- Fill out the Explore this Career section after you save a career that interests you

Your list of career suggestions may change as your interests change!

Congratulations!

You've finished the **Explore Career Matches** lesson.
