---	--	--

This is not an all-inclusive list, but just a list of agencies/organizations that have provided opportunities in the past and is provided for your convenience. The school district neither endorses, guarantees, nor makes any representation regarding the listed agencies.

Parents and students are strongly encouraged to investigate the agencies and make their own personal decisions regarding the sites.

All community service proposals for the purposes of counting towards Bright Futures hours, should be approved by the high school counselor prior to engaging in service.
