

12th Grade Planning - EXPLORE

Meet with your College & Career Counselor to explore gap year program opportunities.

Identify programs that resonate with you and follow the steps for your application.

Apply to scholarships to help fund your time in your gap year program.

Have a back-up plan - apply to colleges, jobs, and trade schools. *What will you do if your gap year program does not work out?*

Report your gap year program acceptance to your College & Career Counselor

Work with your School Counselor to ensure you are on track to graduate
