2.21 WAGE PRICE REDETERMINATION

- A. The bidder may petition the Director of Purchasing and Warehouse, or the designee, for price redetermination within sixty (60) days of the expiration of each term or on the anniversary date of the contract, whichever is specified elsewhere in this ITB. Any price redetermination will be solely based upon changes as documented by the Employment Cost Index (ECI) as published by the Bureau of Labor Statistics. The base index number will be the base for the first quarter of 2008 as published in April, 2008. The initial redetermination index number will be the index for the first quarter of 2008 as published in April 2008. Refer to Employment Cost Index, Table 3, for total compensation private industry workers, by industry and occupational group @ www.bls.gov/news.release/eci.t05.htm. The base figure will be tied to Trade, transportation, and utilities under the heading Service Providing Industries. The base figure for service for March 2008 is 103.1. The difference will be the maximum percentage increase allowed. This percentage will be applied to both the rate paid to the bidder's employee and the billed rate. [Example: March 2006 Index = 100.8, March 2007 Index = 103.1: therefore the maximum increase = 2.3%].
- B. For all periods after the first year the March indexes will be used.
- C. If the federal government increases the minimum wage during the term of the contract and any renewal, the bidder may petition the Director of Purchasing and Warehouse for price redetermination for those job categories where the pay to the bidder's employee is the current minimum wage. The School Board will grant an increase of exactly the amount of the minimum wage increase [not the percentage increase]. The bidder must increase the pay to the employee by the amount the bidder wants increased. The amount paid to the bidder will be the increase plus any written and documented increase in FICA, Medicare, and Workers' Compensation insurance. The bidder must supply written documentation of any other increase that is beyond the scope and control of the bidder. All written documentation must satisfy the reasonable expectations of the School Board.
- [Example: minimum wage increases from \$5.75 to \$6.00 per hour. The bidder's Bid amount for category X to the employee is \$5.75, and the billed rate is \$6.60. The bidder may petition for an increase of \$0.25 per hour to be paid to the employee and a billed rate of \$6.85 + written and documented cost increases for FICA, Medicare and Workers' Compensation.]
- D. If the School Board and the bidder cannot agree on the price redetermination, then the contract will expire without prejudice. The School Board reserves the right to award any classification(s) from an expired contract to the next lowest responsive and responsible bidder that is still under contract.
- E. If the bidder bills the School District at a higher price according to any price redetermination granted by the School Board, and the bidder fails to increase the hourly rate paid to the employee for the same period, the bidder will be considered in contract default and the contract will be immediately terminated.

If the School Board grants an increase in the contract price based upon increases in gasoline and/or diesel prices, then the Board may also adjust the contract price downward if the cost of gasoline and/or diesel decreases by ten percent (10%) or more from the date of the last increase in the contract price.

This clause may be used in addition to any other price redetermination clause in this invitation.

If the School Board and the bidder cannot agree on any price redetermination, then the contract will expire without prejudice 30 (thirty) days after the impasse is reached.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).

4. In the statement specified in subsection (1) notify employees that as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo-contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

1. Confidential Materials. The Respondent warrants and represents to the School District that the materials described in the attached Exhibit A (the "Confidential Materials") constitute trade secrets as defined by Section 812.081(1)(c), Florida Statutes, or financial statements required by the School District for projects as defined in 119.071(1)(c), Florida Statutes. Subject to the terms and conditions of this Agreement, the School District agrees not to disclose such Confidential Materials to third parties.

2. Additional Materials. During the course of the negotiations or the business relationship with the School District, the Respondent may disclose additional confidential or trade secret information to the District in which case the restrictions and obligations on the use and disclosure of the Confidential Materials imposed by this Agreement shall also apply to such additional information to the extent permitted by Florida law. Any such additional confidential or trade secret information shall be duly marked and stamped “confidential” or “trade secret” prior to delivery to the School District, and shall be subject to this Agreement and Section 812.081(2), Florida Statutes, only if written receipt is provided by the School District acknowledging receipt of such materials.

3. Exclusions. For purposes of this Agreement, the term “Confidential Materials” does not include the following:

- (a) Information already known or independently developed by the School District;
- (b) Information in the public domain through no wrongful act of the School District;
- (c) Information received by the School District from a third party who was legally free to disclose it;
- (d) Information disclosed by the Respondent to a third party without restriction on disclosure;
- (e) Information disclosed by requirement of law or judicial order, including without limitation Chapter 119 Florida Statutes; or
- (f) Information that is disclosed with the prior written consent of the Respondent, but only to the extent permitted by such consent.

4. Non Disclosure by Respondent. In the event that the School District discloses confidential or trade secret information to Respondent, the Respondent agrees to not disclose such information to any third party or copy such information or use it for any purpose not explicitly set forth herein without the School District’s prior written consent. Further, upon conclusion of discussions or business transactions between the School District and the Respondent, or at any time upon request of the School District, Respondent agrees to return such information (including any copies) to the School District.

5. Duty of Care. Each Party agrees to treat the other Party’s confidential or trade secret information with the same degree of care, but not less than reasonable care, as the receiving Party normally takes to preserve and protect its own similar confidential information and to inform its employees of the confidential nature of the disclosing Party’s information and of the requirement of nondisclosure. In the event either Party has actual knowledge of a breach of the nondisclosure requirements set forth in this Agreement, the Party acquiring such knowledge shall promptly inform the other Party and assist that Party in curing the disclosure, where possible, and preventing future disclosures.

6. Limitations of Florida Law. Respondent understands and agrees that its assertion that any item is confidential or a trade secret does not, in and of itself, render such material exempt from the Florida Public Records Law, Chapter 119 of the Florida Statutes, and that the School District's ability to prevent disclosure of confidential and trade secret information may be subject to determination by a Florida court that such materials qualify for trade secret protection under Florida law. In the event a third party makes a public records request for the Confidential Materials or other materials deemed by Respondent to be confidential or a trade secret, the School District may submit the materials to the court for inspection in camera as set forth in Section 119.07(1)(e) Florida Statutes. Respondent further understands that the School District may be required to disclose such information if directed by a court of competent jurisdiction.

7. Indemnification by Respondent. In the event of any litigation instituted by a third party to compel the School District to disclose such materials, Respondent shall, at its sole cost and expense, provide assistance to the School District in defending the denial of the records request, and shall hold the School District harmless from any claim for statutory costs and attorneys fees arising from the School District's refusal to disclose such materials.

8. No Additional Obligations. This Agreement shall not be construed in any manner to be an obligation for either Party to enter into any subsequent contract or agreement.

9. Sovereign Immunity. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the School District beyond any statutory limited waiver of immunity or limits of liability, which has been or which may be adopted by the Florida Legislature, regardless of the nature of any claim which may arise, including but not limited to a claim sounding in tort, equity or contract. In no event shall the School District be liable for any claim or claims for breach of contract, including without limitation the wrongful disclosure of confidential or trade secret information for an amount which exceeds, individually and collectively, the then current statutory limits of liability for tort claims. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim against the School District, which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

10. Notice. Whenever either Party desires to give notice unto the other, it must be given by written notice, sent by registered United States mail, with return receipt requested, addressed to the party for whom it is intended, at the place last specified, and the place for giving of notice in compliance with the provisions of this paragraph.
