2.22 PRICE REDETERMINATION

The bidder may petition the Director of Purchasing and Warehouse for price redetermination within sixty (60) days of the expiration of each term of the contract or on the anniversary date of the contract, whichever is specified elsewhere in this ITB. The School Board may also petition the bidder under the same guidelines. Any price redetermination will be solely based upon changes as documented by the Producer Price Index (PPI) for the commodity "Consumer Audio & Video Equipment – 1258-02" as published by the Bureau of Labor Statistics which can be found on-line at <http://stats.bls.gov>. The base index number will be the month of March 2009. The initial redetermination index number will be the index for March 2010 as published in April 2010. Subtracting the base index number from the current index number and dividing the result by the base index number calculates the maximum percentage increase allowed. For all periods after the first year, subsequent March indexes will be used. Any price redetermination will include all items awarded.

Bidders shall provide documentation to illustrate what percentage of the price for the product/service is related to the commodity, as the increase shall be calculated based upon the percentage of the cost associated to the cost of the commodity (see example below). Failure to provide the detailed cost analysis with each request for a price redetermination due to commodity price escalation shall preclude any price redetermination requests relating to commodity costs.

Example:

- Eighty-six (86%) percent of the cost to provide product/service is attributed to the cost of the commodity.
- PPI in the month the solicitation closed was \$193.90 \$300.00
- Current PPI is \$300.00 -\$193.90
\$106.10
- \$106.10 divided by \$193.90 = .547%
- The unit cost of the product/service is \$100.00
- 86% of \$100.00 = \$86.00
- \$86.00 x .547% = \$47.04
- New unit price for the product/service is \$147.04

If the School Board grants an increase in the contract price based upon increases in the PPI Index, then the Board may also adjust the contract price downward if the PPI Index decreases by ten percent (10%) or more from the date of the last increase in the contract price.

This clause may be used in addition to any other price redetermination clause in this invitation.

If the School Board and the bidder cannot agree on any price redetermination, then the contract will expire without prejudice thirty (30) days after the impasse is reached.

The School Board reserves the right to award one or more contracts to provide the required services as deemed to be in the best interest of the School Board.

Any awarded bidder shall provide the services required herein strictly under a contractual relationship with the School Board and is not, nor shall be, construed to be an agent or employee of the School Board. As an independent bidder the awarded bidder shall pay any and all applicable taxes required by law; shall comply with all pertinent Federal, State, and local statutes including, but not limited to, the Fair Labor Standards Act, The Americans with Disabilities Act, the Federal Civil Rights Act, and any and all relevant employment laws. The bidder shall be responsible for all income tax, FICA, and any other withholdings from its employees' or sub-

bidder's wages or salaries. Benefits for same shall be the responsibility of the bidder including, but not limited to, health and life insurance, mandatory Social Security, retirement, liability/risk coverage, and workers' and unemployment compensation.

The independent bidder shall hire, compensate, supervise, and terminate members of its work force; shall direct and control the manner in which work is performed including conditions under which individuals will be assigned duties, how individuals will report, and the hours individuals will perform.

The Awarded Bidder shall not be provided special space, facilities, or equipment by the School Board to perform any of the duties required by the contract nor shall the School Board pay for any business, travel, or training expenses or any other contract performance expenses not specifically set forth in the specifications.

2.42 PERFORMANCE BOND and PAYMENT BOND {OPTIONAL REQUIRMENT}

If the cost of a project is \$100,000 or more, a performance and payment bond will be required. The awarded Bidder shall furnish, within ten (10) calendar days after receipt of a Notice To Proceed, a Performance Bond and a Payment Bond in the amount of 100% of the individual project, payable to the School District as security for the faithful performance of the Contract. The Performance Bond may be in the form of a bond, cashier's check or Irrevocable Letter of Credit (ILOC). The bond shall be issued by an agency authorized to do business in the State of Florida with a rating of "A" or higher, as listed in the A.M. Best & Company latest published rating. An attorney in fact who signs a Performance Bond must file with the bond a certified copy of his/her power of attorney to assign said bond. It is the bidder's responsibility to have the Performance & Payment Bonds recorded with the Osceola County Clerk of Courts and a copy returned to the Purchasing Representative with a receipt showing the bonds have been recorded.

Should the awarded Bidder not enter into a Contract or upon cancellation of the Contract, the School Board reserves the right to obtain services on the open market as required without competition and for such time until a new Bid can be advertised, received, evaluated, and a Contract awarded. The Awarded Bidder shall be required to submit this bond within ten (10) days after School Board approval of the bid award if the option is selected as part of the award.

2.43 FIDELITY BOND (Security related) [for security related services]

The Bidder shall be bonded for a minimum of fifty thousand dollars (\$50,000.00) during the term of the contract. This bonding shall cover any incident involving the Bidder's personnel assigned to work in the School District for the same limits. Bonding shall be for both fidelity and honest exposures. A certificate or verification, or both shall be filed with the Purchasing Department and shall be subject to approval before work can commence under this contract. The bond shall either name the School District as the insured obligee or include an endorsement naming the School District as an additional obligee and providing for customary property coverage in favor of the School District. If the Bidder does business as an individual, the bond shall cover said person as an individual as protection to the School District.

2.44 NEW MATERIAL

Unless otherwise provided for in this specification, the bidder represents and warrants that the goods, materials, supplies, or components offered to the School District under this Bid solicitation are new, not used or reconditioned, and are not of such age or so deteriorated as to impair their usefulness or safety and that the goods, materials, supplies, or components offered are current production models of the respective manufacturer. If the bidder believes that furnishing used or reconditioned goods, materials, supplies, or components will be in the School Board's interest, the bidder shall so notify the School District Buyer in writing no later than ten (10) working days prior to the date set for opening of Bids. The notice shall include the reasons for the request and any benefits that may accrue to the School District if the Buyer authorizes the Bidding of used or reconditioned goods, materials, supplies, or components.

2.45 DAMAGES

Due to the nature of the services to be provided and the potential impact to the School District for loss of the purchase and installation of classroom audio amplification systems, the bidder cannot disclaim consequential or inconsequential damages related to the performance of this contract. The bidder shall be responsible and accountable for any and all damages, directly or indirectly, caused by the actions or inaction of its employees, staff, or sub-consultants. There are no limitations to this liability.

2.46 CONFLICT OF INTEREST FORM

2.47 Litigation

Bidders shall submit details of all litigation, arbitration or other claims, whether pending or resolved in the last five years, with the exception of immaterial claims which are defined herein as claims with a possible value of less than \$25,000.00 or which have been resolved for less than \$25,000.00. Notwithstanding the foregoing, all litigation, arbitration or other claims, of any amount, asserted by or against a state, city, county, town, school district, political subdivision of a state, special district or any other governmental entity shall be disclosed. Please indicate for each case the year, name of parties, cause of litigation, matter in dispute, disputed amount, and whether the award was for or against the Bidder.

2.48 RESOLUTION OF BID PROTESTS

The School Board Rule 7.70.V shall be followed as outlined below for the resolution of any bid protests:

A. The School Board shall follow the procedure specified in Florida Statutes, Section 120.57(3) and as the same may be amended from time to time for the resolution of bid protests.

B. The Purchasing Department shall provide notice of a decision or intended decision concerning a solicitation, contract award, or exceptional purchase by electronic posting.

The notice shall contain the following statement:

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

C. Any person who is adversely affected by the intended award of a solicitation or contract by the School Board or the recommendation of the Director of Purchasing or other responsible employee of the School Board shall file with the Director of Purchasing as agent for the School Board a notice of protest in writing within 72 hours after the electronic posting of the award or intended decision, and shall file a formal written protest within ten (10) days after the date he or she has filed the notice of protest. With respect to a protest of the specifications contained in a solicitation, the notice of protest shall be filed in writing within 72 hours after the electronic posting of the solicitation, and the formal written protest shall be filed within ten (10) days after the date the notice of protest is filed. All formal written protests must be filed with a bond payable to the School District equal to 1% of the estimated contract amount (Florida Statute 287.042(2)(c)). Failure to file a notice of protest or failure to file a formal written protest and bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes. The School Board may, in its discretion, waive any procedural irregularity or defect in procedures so long as any opposing party is not materially prejudiced by such waiver. Saturdays, Sundays, and state holidays shall be excluded in the computation of the 72-hour time periods provided

by this paragraph. The notice of protest and formal written protest shall be filed in the Purchasing Department between the hours of 8:00 a.m. and 4:30 p.m. upon any day the office is open for business.

The provisions specified herein constitute the exclusive remedy for any adversely affected party with respect to a bid protest. The formal written protest shall state with particularity the facts and law upon which the protest is based.

- D. Upon receipt of the formal written protest which has been timely filed, the Purchasing Director shall stop the bid solicitation process or the contract award process until the subject of the protest is resolved by final agency action, unless the School Board, by duly enacted resolution sets forth in writing the particular facts and circumstances which require the continuance of the bid solicitation process or the contract award process without delay in order to avoid an immediate and serious danger to the public health, safety or welfare.

The School Board finds that a substantial interest in the public welfare is the timely award of contracts when required as a condition of receiving grants or funds from outside sources which will be in addition to the regular school budget.

- E. The Purchasing Director shall schedule a meeting to provide an opportunity to resolve the protest by mutual agreement between the parties within seven (7) days, excluding Saturdays, Sundays, and state holidays, after receipt of a formal written protest and bond.
- F. If the Purchasing Director cannot resolve the protest by mutual agreement within the seven (7) day period referred to in Paragraph E in this Section, the School Board shall conduct an informal administrative hearing, under Section 120.57(2), Florida Statutes, acting as the agency head, where there are no disputed issues of material fact. The informal hearing shall be held with notice of no less than 72 hours, excluding Saturdays, Sundays, and legal holidays within thirty (30) days of receipt of the formal written protest and bond, unless the parties, with the consent of the School Board, agree to extend the time for the hearing. The School Board shall have the right to schedule the hearing subject to these provisions.

RECITALS

WHEREAS, the Respondent possesses certain confidential trade secret materials that it wishes to disclose to the School District of Osceola County for the purpose of responding to a request for proposal or otherwise conducting business with the School District; and

NOW THEREFORE, in consideration of the mutual promises and premises contained herein, the receipt and sufficiency of which are hereby acknowledged, the School District and the Respondent agree as follows:

1. **Confidential Materials.** The Respondent warrants and represents to the School District that the materials described in the attached **Exhibit A** (the "Confidential Materials") constitute trade secrets as defined by Section 812.081(1)(c), Florida Statutes, or financial statements required by the School District for projects as defined in 119.071(1)(c), Florida Statutes. 5. Duty of Care. Each Party agrees to treat the other Party’s confidential or trade secret information with the same degree of care, but not less than reasonable care, as the receiving Party normally takes to preserve and protect its own similar confidential information and to inform its employees of the confidential nature of the disclosing Party’s information and of the requirement of nondisclosure. In the event either Party has actual knowledge of a breach of the nondisclosure requirements set forth in this Agreement, the Party acquiring such knowledge shall promptly inform the other Party and

assist that Party in curing the disclosure, where possible, and preventing future disclosures.

6. Limitations of Florida Law. Respondent understands and agrees that its assertion that any item is confidential or a trade secret does not, in and of itself, render such material exempt from the Florida Public Records Law, Chapter 119 of the Florida Statutes, and that the School District's ability to prevent disclosure of confidential and trade secret information may be subject to determination by a Florida court that such materials qualify for trade secret protection under Florida law. In the event a third party makes a public records request for the Confidential Materials or other materials deemed by Respondent to be confidential or a trade secret, the School District may submit the materials to the court for inspection in camera as set forth in Section 119.07(1)(e) Florida Statutes. 8. No Additional Obligations. This Agreement shall not be construed in any manner to be an obligation for either Party to enter into any subsequent contract or agreement.

9. Sovereign Immunity. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the School District beyond any statutory limited waiver of immunity or limits of liability, which has been or which may be adopted by the Florida Legislature, regardless of the nature of any claim which may arise, including but not limited to a claim sounding in tort, equity or contract. In no event shall the School District be liable for any claim or claims for breach of contract, including without limitation the wrongful disclosure of confidential or trade secret information for an amount which exceeds, individually and collectively, the then current statutory limits of liability for tort claims. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim against the School District, which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

10. Notice. Whenever either Party desires to give notice unto the other, it must be given by written notice, sent by registered United States mail, with return receipt requested, addressed to the party for whom it is intended, at the place last specified, and the place for giving of notice in compliance with the provisions of this paragraph.
