TO: School Board Members
FROM: Michael A. Grego, Ed.D., Superintendent

SUBJECT/RECOMMENDATION:

Approve the award to and Service Agreement with Bright House Networks in accordance with RFP #SDOC 10-P-048 NM to provide Internet & Session Initiation Protocol (SIP) Telecommunications Services with Bundled Long Distance Services to the District.

EXECUTIVE SUMMARY

The above mentioned solicitation was prepared by the Purchasing Department at the request of Dr. Terrell Pace, Director of Media, Instructional Technology, and Technology Services Department. The purpose of this RFP is to provide internet, SIP telecommunications and long distance services for the District. Selection procedures were facilitated in accordance with School Board Purchasing Rules. Staff requests approval of the award to and Service Agreement with Bright House Networks simultaneously due to the short timeframe requirements for our E-Rate funding.

This Agreement is a Standard Service Agreement that has been provided by the School Board Attorney.

This is a five (5) year Agreement with three (3) subsequent one (1) year renewals.

The annual cost is approximately \$200,000.
