

Choose Virtual Visit

As we navigate these difficult times, your Orlando Health family wants you to know that our care doesn't stop. We understand that you're staying at home, so we're bringing our team to you with more virtual visit options like virtual appointments for new and existing patients. Access to quality care is only a click or tap away with your phone, tablet or computer.

How Can I Use Virtual Visit?

SEE MY DOCTOR

Schedule a virtual appointment with your Orlando Health Medical Group physician or specialist.

GET ESTABLISHED

Choose Orlando Health. Get started with an Orlando Health Medical Group physician today from the safety of your own home.

SEE A DOCTOR

Consult with an on-demand doctor about minor medical needs, available 24/7 for new and existing patients.

COVID-19

If you are 18 or older and experiencing symptoms of COVID-19, consult a board-certified physician for advice on how to proceed with care.
