

DIAGNOSTIC IMAGING AT NO COST TO YOU.

SDOC has partnered with Green Imaging to provide diagnostic imaging for employees covered under the SDOC health plan* at \$0 cost to you.

For these services, you will not file with your insurance company. Instead, you'll receive a **voucher** when you schedule your service. Simply present the voucher when you arrive for your appointment.

The **Green Imaging Network** is made up of high-quality imaging facilities across the nation. In fact, they are many of the same facilities you'd choose for yourself. Green will consider the procedure you need, and find a network facility that is not only close to your home, but has the right type of equipment for the exam your doctor ordered. Your exam will be interpreted by the right radiologist too. Radiologists are board-certified, fellowship-trained and include sub-specialists for more complex exams such as neurology, musculoskeletal and oncology.

*opt out and ineligible employees are not eligible.

how we do it

So, what's the catch? There isn't one. You get the same testing that you get under the Cigna medical plan, but it will cost you nothing. The best part is that by direct contracting for imaging services, SDOC's Health and Life Insurance Trust-Fund (which is used to pay for all medical and pharmacy expenses) saves money too. It's a win-win situation—for you and our medical plan.

this is how it works:

Your doctor has given you an order for diagnostic imaging services.

Contact Green Imaging:
TEXT: 713.524.9190
CHAT: greenimaging.net
CALL: 844.968.4647

You will be contacted to schedule your procedure, and will receive a **voucher** for service.

At your appointment, show your **voucher** to the front desk. **DO NOT PRESENT YOUR CIGNA CARD.**

You will have no co-pay and no after procedure bill. SDOC Life & Health Trust Fund pays 100% of the procedure for members.

The report from your exam will be sent to your referring doctor.
