

### Central Avenue Elementary School

We are a "D" School

## What is Title I?

- Title I is the largest federal assistance program for the nation's schools.
- The goal of Title I is to provide supplemental funds to assist with closing the achievement gap.
- The funds are disbursed from the federal government, to the State of Florida, and then to the Local Education Agency (LEA), which is the District.
- > The District follows the LEA plan for disbursement to the schools.
- Central Avenue Elementary is a Title I school because more than 70% of the students meet poverty requirements.

#### What is the LEA Title I Plan?

➤The LEA Title I Plan is the District's annual plan for district strategic initiatives to increase academic achievement.

>The LEA Title I Parent and Family Engagement Plan is a component of this plan.

> Some items included are:

- Student academic assessments
- Staff Qualifications and Professional Development
- Parental Involvement Strategies, including the LEA Parent and Family Engagement Plan
- School improvement goals

➢Title I parents/guardians have the right to be involved in the development of the LEA Title I Plan and the LEA Parent and Family Engagement Plan.

#### What is a School-Wide Title I Plan?

- > Each school receiving Title I funds must have a plan.
- The school-wide plan components are included in the School Improvement Plan (SIP)
- Title I parents/guardians have the right to be involved in the development of Central Avenue Elementary School Improvement Plan (SIP)

## **School Improvement Planning**

➢Our school has identified the following areas of focus for 2023-2024:

- 1.Instructional Practice specifically relating to Benchmark-aligned Instruction
- 2. Instructional Practice specifically relating to Coaching
- 3. Positive Culture and Environment specifically relating to Early Warning System
- 4. ESSA Subgroup specifically relating to Outcomes for Multiple Subgroups

Please visit our monthly School Advisory Committee (SAC) meetings, where we discuss our progress and how we can raise achievement.
During the months of September, December, and March, we will review,

discuss, and solicit feedback regarding the school's Title I and Parent & Family

Engagement plans.

#### **School Improvement Plan Scores**

Student scores for the 2022-2023 Florida Assessment of Student Thinking (FAST) and FSSS >ELA 38%

➤ Mathematics 47%

Science 35%

Our school's 2023-2024 School Improvement Plan can be accessed at: <u>https://www.floridacims.org/districts/osceola</u>

Each school year, we use the previous year's scores to determine our school improvement goals for the next year.

#### How does Central Avenue Elementary use Title I and SIP funds?

- Federal Title I funds must <u>supplement</u> the school's existing programs. At our school we use Title I funds to:
- Add academic coaches to our staff
- Add paraprofessionals to the classroom
- Purchase supplemental classroom materials and supplies
- Provide tutoring
- Provide professional development for teachers
- Conduct parental educational meetings/trainings/activities

#### What is the 1% set-aside and how are parents involved?

➢ For the 2023-2024 school year, the Title I allocation for The School District of Osceola County is \$21,832,791.04. Federal law requires the LEA to set aside 1% for parent and family engagement.

➢ 90% of the 1% amount must be allocated to all District Title I schools to implement school-level parent and family engagement. Our school received \$2,660.08

➤ The School District of Osceola County (LEA), will use the remaining 10% of the 1% for parent and family engagement, as well as parent and family events and training.

➢ Title I parents/guardians have the right and are encouraged to be involved in how this money is spent at the LEA and school level.

#### What is the Parent and Family Engagement Plan?

>The LEA and each Title I school creates a Parent and Family Engagement Plan (PFEP)

➤This PFEP explains how the requirements of the Every Student Succeeds Act of 2015 (ESSA) will be implemented at both the District and School levels.

#### ≻It includes:

- Expectations for parents
- How parents will be involved in decision-making
- How the LEA and schools will work to build the schools' and parents' capacity for strong parent and family engagement to improve student academic achievement

Title I parents/guardians have the right to be involved in the development of the School and District Parent and Family Engagement plans.

#### Input on spending Title I Parent Involvement Funds

>To use funds for Parent Involvement, schools must meet the following criteria:

- 1. Educate the parents on Title I
- 2. Ensure funds are aligned towards academic achievement
- (Language Arts, Math or Science)
- 3. Have educational interaction between the parent and student
- ➢Please provide suggestions on utilizing Title I Parent and Family Engagement funds at our school.

# How is the evaluation of the Parent and Family Engagement Plan conducted?

- Evaluation Requirements
  - > Annual evaluations with Title I parents/guardians
    - Parent/guardian surveys (required)
    - Focus groups
    - Parent Advisory Committees
  - Analyze content and effectiveness of the current plan
  - Identify barriers to parental involvement
  - Data/Input may include:
    - Process and timeline
    - How the evaluation helps create next year's plan

# What is the School-Parent Compact?

➤The Compact is a commitment from the school, the parent, and the student to share in the responsibility for improved academic achievement.

Title I parents/guardians have a right to be involved in the development of the School-Parent Compact.

We're here to make GOOD THINGS happen for other people.

# What are the Standards my child is expected to achieve?

State of Florida adopted the ELA Florida's B.E.S.T. Standards K-12 and Mathematics Florida Standards (MAFS)

➤The MAFS and B.E.S.T. provide clear educational standards while allowing local districts and schools the flexibility needed to deliver quality instruction in the classroom.

➤The standards (which are not to be confused with curriculum or instruction) are designed to ensure all students, regardless of demographics, graduate high school prepared to enter college or the workforce.

➤The standards are internationally benchmarked and provide our students with an edge in the global jobs market by ensuring mastery of knowledge and skills needed to perform today's high-skill, high-wage occupations.
