What are the Standards my child is expected to achieve?

State of Florida adopted the ELA Florida's B.E.S.T. Standards K-12 and Mathematics Florida Standards (MAFS)

- The MAFS and B.E.S.T. provide clear educational standards, while allowing local districts and schools the flexibility needed to deliver quality instruction in the classroom.
- The standards, which are not to be confused with curriculum or instruction, are designed to ensure all students, regardless of demographics, graduate high school prepared to enter college or the workforce.
- The standards are internationally benchmarked and provide our students with an edge in the global jobs market by ensuring mastery of knowledge and skills needed to perform today's high-skill, high-wage occupations.
