## Principal's Message

It is hard to believe that we are into February already. It has certainly been a cold Florida winter. Please ensure that your child comes to school with appropriate outerwear. Layers are practical: kids playing hard at recess like to remove extra layers. We know that outdoor play is important to the health and well-being of our students.

As you know, consistent attendance is important to student achievement. Please make sure that students are to school on time and ready to learn. If your child is not feeling well, please make sure to communicate with the teacher through your child's agenda or remind.

The month of February has been designated as kindness month. PHES chooses kind. Please ask your child how they are demonstrating kindness to others. In addition, PTO will be selling Valentine grams for \$2.

As a PBIS school we are sponsoring several activities for students including a Kiss the Pig Event on February 25th and Pie in the Face Event on March 10<sup>th</sup>! Fourth and fifth graders can also earn the opportunity to be principal for an hour. Be sure to ask your student about our P.R.I.D.E expectations.

3. I will take turns and share.
4. I will make decisions using the same rules for everyone no matter their race, age, occupation, religion and disabilities.

Effort means:

- I come to school on time.
- I turn in my homework on time.
- I am prepared for class.
- I have a positive attitude.
- Good character is not formed in a week or a month. It is created little by little, day by day. Protracted and patient effort is needed to develop good character. -Heraclitus
