

Come Teach **With Us!**

We Need You:

The Osceola School District is looking for highly-motivated, transformational, and dynamic Highly Effective and Effective teachers in the following content areas Reading, ELA, Algebra 1, and Geometry who would like to join our exceptional CSI focus high school: Liberty High School. Eligible teachers may receive an allocation bonus of the following:

- **\$10,000** for Highly Effective Teachers
 - **\$5,000** for Effective Teachers
- } for Effective state VAM teachers who meet the state's eligibility requirements

The lump sum supplement will be paid by September 30, 2023. However, teachers must commit to Liberty High School for at least the 2023-2024 school year.

Teachers eligible for the bonus must:

- Have a 2023-24 three-year aggregate Math or English Language Arts (ELA) State Value Added Model (VAM) calculation that includes student data from 2018-19, 2020-21, 2021-22; or 2020-21, 2021-22 school year VAM rating of Highly Effective (for the \$10,000 supplement) or Effective (for the \$5,000 supplement).
- Have a three-year aggregate Algebra 1 and Geometry State Value-Added Model (VAM) calculation rating of Highly Effective (for the \$10,000 supplement) and Effective (for the \$5,000 supplement). Algebra 1 and Geometry teachers can use a one-year state VAM from 2022
- Have a start and rostered date at Liberty High School no later than September 30, 2023

Come join the faculty and staff at Liberty High School and

Make a difference for the students of Osceola!
