

Three School District of Osceola County administrators were selected to participate in the Florida Department of Education Chancellor's Leadership Academy.

Christina Harrell, principal of [St. Cloud Middle School](#); Henry Santiago, director of Middle School Instruction and Curriculum; and Jennifer Wrona, assistant principal of [St. Cloud High School](#), will engage in professional learning opportunities with other educational leaders across the state.

During the 2024-25 Chancellor's Leadership Academy, participants will:

- Foster and sustain a statewide community of leaders with a shared vision of high-quality instructional leadership;
- Deepen their knowledge and skills in identifying high-quality teaching and learning along with professional learning necessary to support teacher and school leader growth;
- Develop skills in observation, analysis, and targeted feedback for educator growth through onsite and virtual coaching and collaboration; and
- Deepen their knowledge of Florida's state academic standards to support student achievement.

The Leadership Academy will officially begin in October.
