We love our support staff too!

Frame Yourself Monday

Parents, students, and community members are encouraged to use one of our new Facebook frames to let the world know that you support our amazing Osceola educators.

And of course we have a frame for teachers to use also to be recognized for supporting our students no matter the distance!

**TUESDAY

Trivia Tuesday

Osceola students win every day by having awesome educators.

Now... we want teachers to get the win!

Osceola teachers are encouraged to tune in to the district's Facebook page starting at 6:00 p.m. tonight for fun trivia questions to answer to win prizes.

**WEDNESDAY
MAY 5**

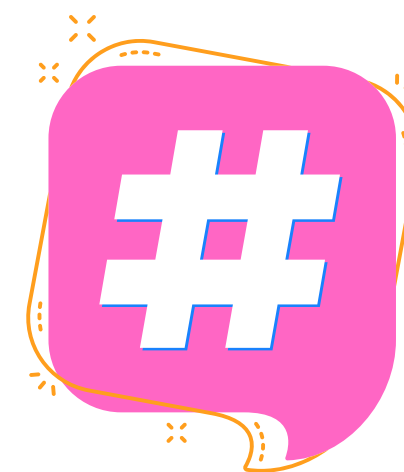

We Love Teachers Wednesday

Parents, students, and community members are encouraged to brag about their favorite Osceola educators by simply filling out a Share Your Great submission on the district's website at osceolaschools.net

Be on the lookout for how we will share about your great teacher!

**THURSDAY

Tag A Teacher Thursday

Parents, students, and community members are encouraged to give our dedicated Osceola teachers a shout-out on their own social media pages using our hashtag:

Every Osceola School District educator deserves to feel the love. Today, we encourage students to visit the district website at: www.osceolaschools.net, where they will find a certificate that they can personalize, and email or print to give to their teachers to thank them for all their hard work and support.
