

6TH GRADE TRANSITION CAMP

June 6, 2022

Welcome to Osceola School for the Arts!

Summertime is the perfect opportunity to advance every child's learning in a fun, relaxed environment. The Osceola School District will be offering a number of programs for students in all grade levels this summer as enrichment opportunities. We would like to invite your rising middle school student to **OCSA's 6th Grade Transition Camp**.

This Summer Camp will offer enrichment and support free of cost to your child. The camp is part of a districtwide choice program to provide an extended learning opportunity for middle school students to enrich and enhance skills in reading, mathematics, and science through exciting project-based learning, arts enrichment, as well as blended learning with technology, small group instruction, and hands-on labs. This also provides a wonderful opportunity to learn about the campus and start to get to know other students within the same grade level while diving into the arts.

The camp will be offered July 11th – 21st, 2022 at Osceola School for the Arts, Monday through Thursday from 9:30 – 1:30pm. There will not be any classes on Fridays. Your child will participate in academic activities in the morning and arts enrichment activities in the afternoon. This camp is not mandatory to attend. However, we do encourage our incoming 6th graders to try to attend at least one week.

Breakfast and lunch will be provided.

Transportation will **not** be provided. Children should not be dropped off prior to 9:15am and must be picked up no later than 1:45pm.

School uniforms will not be required, but dress code will be adhered to. No midriiffs or tank tops and shorts and dresses must be at least fingertip length.

Please register your child on the link: <https://forms.office.com/r/1dFAFgqfbh>

Please call the school at (407) 931-4803 with any questions.

We look forward to seeing you soon!
