Click on Sign in

Enter your password

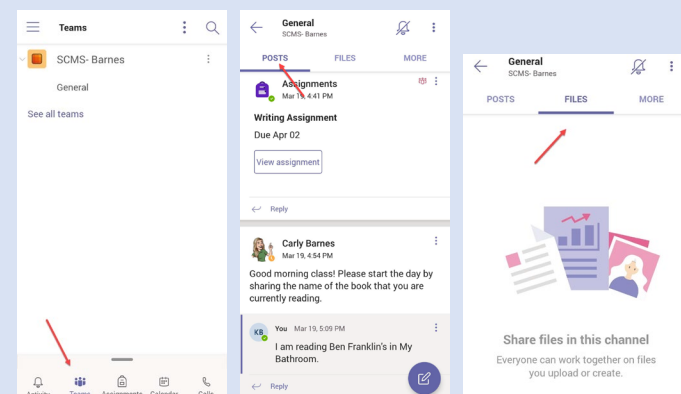

Click Sign in

The bottom of the Teams App has buttons

The activity tab is a great place to start. It shows what has happened recently in all your Teams.

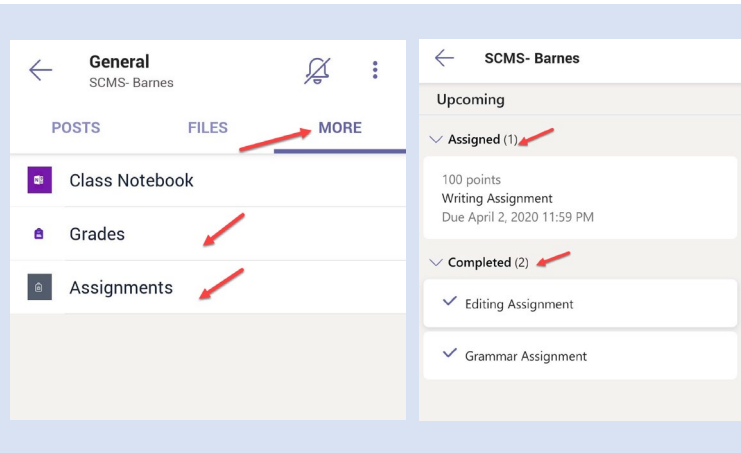

Assignments can be viewed for all classes using the bottom "Assignment" tab.

The Teams tab allows the user to access a specific team.

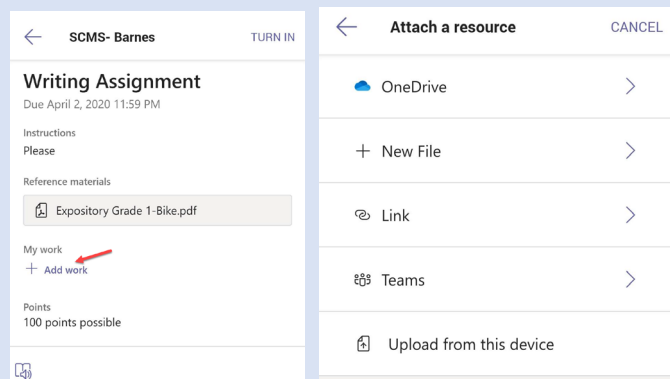

Once in the Team the post tab shares any activity or conversations in the Team.

If the teacher has shared any files they will be in the files tab.

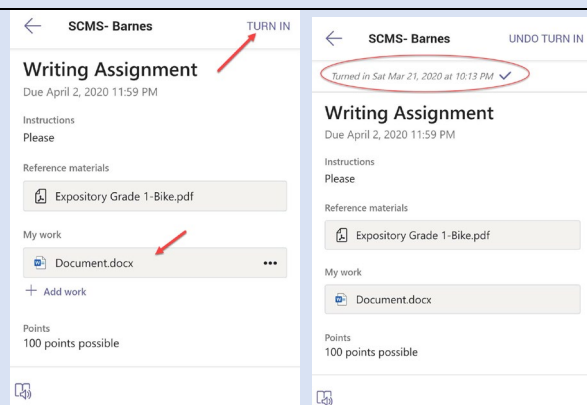

The more tab allows access to grades, Class Notebook, and Assignments.

The Assignments tab shows completed and incomplete assignments. Click on the assignment to complete your work.

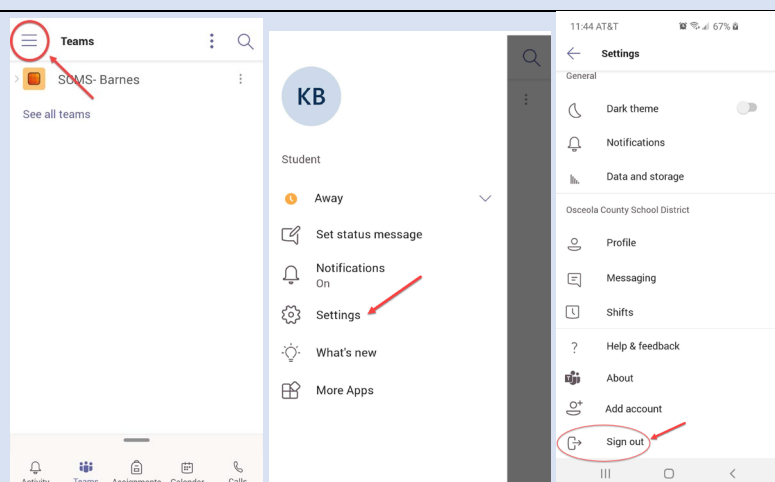

Use the add work button to share work with the teacher.

Resources can be attached from a variety of sources.

The "My Work" is a location that a document can be attached. Click on Turn in to share with a teacher.

When the assignment is turned in there will be a checkmark and a timestamp at the top.

If the mobile device is being used by multiple students a user may need to sign out.

Click in the menu bottom on the top left-hand side of the screen.

Click on the gear next to the word Settings.

Click on Sign-out. Another user can sign on the mobile device.
