

SAT SCHOOL DAY

Student Answer Sheet Instructions

This guide will help you fill out your SAT® School Day answer sheet—including where to send your 4 free score reports. Be sure to record your answers to the questions on the answer sheet. Answers that are marked in this booklet will not be counted.

Confidentiality

Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your SAT information are required to keep it confidential and to follow College Board guidelines for using information. See the *SAT School Day Student Guide* for more details, including how to opt out of Student Search Service® if you change your mind.

16. Student Search Service Student Search Service is a free, voluntary program that connects students with information about educational and financial aid opportunities from eligible colleges, universities, scholarships, and other educational programs. These organizations pay to participate in the service, but it's free to you. When you opt in to Student Search Service, the information that you have provided on your answer sheet and score ranges from your College Board exams may be shared with colleges, universities, and scholarships that are interested in students like you. Also, if you opt in, your email address will be included in your College Board student record. College Board does not share your telephone number or actual test score as part of this service. If you choose to opt in to Student Search Service, please mark "Yes" on your answer sheet. By marking "Yes," you understand that your responses on the answer sheet to Questions 17, 19, 23, 25–34, and 38 may be shared with eligible colleges, universities, scholarships, and other educational programs that participate in Student Search Service. Also, if you prepare a college list on BigFuture™, we may share that list, or part of the list. Would you like us to supply your information for these purposes? Fill in "Yes" if you wish to share your information through Student Search Service.
