### A Message from the Director, Marcia Clevenger

Welcome to the beginning of a New Year and a new semester at Osceola Virtual School. We are happy to have you as part of our OVS Family!

We are offering two celebrations on our campus during the Winter and Spring. The first will be a pancake breakfast for our Honor Roll students in January/February sponsored by Daren Miller, Realtor - Central Florida/Space Coast. Invitations were sent out to eligible students who were asked to RSVP.

The second celebration takes place in May and is an end of the year celebration for all students on May 25. Additional information will be published as plans are finalized closer to May. However, you can save the date on your calendar now.

If you have friends and neighbors who are interested in attending OVS in the fall of 2022, please refer them to the school website to view our information. Our open application window for new families will begin towards the end of March and be open through the end of June. All information and admission eligibility is on our website [Osceola Virtual School / Homepage](http://Osceola Virtual School / Homepage) ([osceolaschools.net](http://osceolaschools.net))

We are proud to have Partners in Education at OVS. Our first partner to complete their paperwork is April Richey, Realtor with Compass Florida, LLC. If you are interested in becoming a partner with us, Maria Maza is our coordinator, and she can be reached at 407-870-1445. All Partners in Education will be listed on our website.

Please watch your email for upcoming testing information related to your child so that you will know when and where you child will be completing their state tests for this school year.
