## UNDERSTANDING
OSCEOLA VIRTUAL SCHOOL

We are an Osceola School District virtual school. We use the curriculum from Stride and Florida Virtual School. Students in K-5 are placed on Stride (also known as K12) and students in grades 6-12 are placed on Florida Virtual School (FLVS).

Students on both platforms have virtual teachers. **Stride** teachers are established nationwide; they provide students a daily planning guide and books (mailed to student) to work independently on the platform. A parent also known as the teacher or Learning Coach provides help, support and guidance. **FLVS** teachers are Osceola school district employees. Students do not get books; all their work is found on the platform.
