Welcome back!

On behalf of our Osceola Virtual School staff, we want to welcome you all back and wish you a Happy New Year. We hope you had an enjoyable winter break with friends and family. We also hope you had time to relax, recharge and ready to start 2nd semester.

Role of the Learning Coach:

- Spend 4 to 6 hours per day working with your student – at this early stage, it is important to be very hands-on and available
- Help your young learner understand what to do each day and how to do it
- Lead offline activities and help your child develop foundational reading and writing skills
- Make sure your student attends all required Class Connect sessions
- Gather and organize course materials as needed
