

It's hard to believe that we are nearing the end of the 2nd nine weeks. We understand that many students are working diligently to keep up with grades and pace in their classes. It is a transition for all (parents, teachers, students), but many of you are doing exceptionally well despite all adversity.

Upcoming Holidays:

- **November 11 – Veterans Day** (student/teacher holiday)
- **November 23-25 – Thanksgiving** (student/teacher holiday)

Important dates:

- **December 18, 2020** – end of 2nd nine weeks.

Pace

For those students that have fallen behind, the holidays and weekends is a good time to catch.

Reminder:

K – 5: 27 – 30%
By Thanksgiving, 32-35%

6-12: Approx. 60%.
By Thanksgiving, 80%
