

# OSCEOLA BUSINESS ACADEMY

## AT POINCIANA HIGH SCHOOL

The Osceola Business Academy will bridge the gap between theory and practice for future entrepreneurs and innovators. Students will learn basics of design thinking, mold ideas into clear business plans, and compete in a final pitch fest and showcase. With an emphasis on personal development and academic rigor, our program incorporates practical, hands-on experiences to help build 21st Century workforce skills and unleash the entrepreneurial spirit of innovation!
