• **Monologue 1**

That's all you want, isn't it? That's what you do, it's why you always create drama in this family. For the attention of it all! You're just never happy, are you? Unless the world is talking about you. You can't live without creating some kind of drama so everyone can be thinking about you and that makes you happy and I'm getting sick of this because you are doing a number on us all, I don't know what you are going through but it's got to come to an end.

• **Monologue 2**

That white clock on the wall is mocking me. Counting down the minutes until I fail this test. It makes no sense. Hey, why aren't there any posters hung up in Ms. Daniel's room? I never noticed that before. I need something to take my mind off this paper. This paper that will destroy my GPA. Oh my god...I'm grinding my teeth. I never grind my teeth. Wow. Look how interesting this pencil looks when I twirl it. Why is the second hand on that clock moving so slowly? And how is everyone else still working on this test? I can't make sense of it. I read the novel, but this question doesn't make any sense. Look at Hanna. Furiously scribbling. I hate her. She knows the answers to everything. Ms. Daniels is reading a book. Really? At a time like this, she is just sitting there reading? She's mean. Whoa. There's the bell. My paper is still blank. I think I'm going to have a heart attack. Great. Everyone's getting ready to go. I'd better turn in my paper. But really, what's the point? It's blank. I guess I'll just turn it in. Wait, what? Ms. Daniels is going to grade our papers right now? How can she do that? I think I'm going to turn to stone. She's making everyone sit back down. Why is she shuffling through the papers so fast? Wait, she stopped on one. I think it's mine. Here we go. My heart's pounding through my chest. She's going to announce to everyone that I've failed. Wait, what? I am the only one who passed? It was a test to see if we could read directions, and it said not to write anything down? Ha! Take that, Hannah! Take that, clock!
