2022-23 School Profile

CEEB Code: 101010

NEOCITY ACADEMY is a highly selective public magnet school

serving students from grade nine through grade twelve in Kissimmee, Florida. NeoCity Academy students engage in an inquiry-driven curriculum and enrollment in AP coursework.

Our unique approach to grading focuses on student proficiency on each academic outcome that students learn. This process of consistently being required to demonstrate proficiency ensures that students are learning content at the highest levels.

NeoCity Academy was founded under the belief that a school where students own their learning is fundamentally more impactful than one where they do not.
