

EARLY CHILDHOOD

A Child's Work is Play

This program prepares students for careers as Preschool Teachers in the child care industry by providing theoretical and practical Early Childhood Education training. Instruction includes supervised direct interaction with children in Voluntary Pre-kindergarten and Head Start classrooms.

In this program students learn to:

- Establish and maintain a safe and healthy learning environment for young children
- Help children advance physically and intellectually
- Support children's social and emotional development with positive guidance
- Establish positive relationships with families
- Ensure a well-run program for children
- Maintain a commitment to professionalism

Student's receive hands-on training in the VPK and Headstart Classroom
