Mission Statement

The mission of Osceola Technical College and the Professional and Technical High School is to provide education, which prepares and inspires all to their highest career and academic potential by integrating technical and academic training.

September 8, 2023

Dear Parent or Guardian,

Every Student Succeeds Act of 2015 (ESSA) requires that any school in receipt of Title I Funds must inform parents if their child is assigned a teacher for four or more consecutive weeks who has not yet met state certification/licensure requirements at the grade level and/or subject area in which the teacher has been assigned.

At this time, your student's teacher, Ms. Victoria Maldonado has a state teaching certificate/license, such as a Temporary Teacher Certificate or Professional Certificate in a different grade and/or subject area than the one she is currently teaching.

The District is assisting Ms. Victoria Maldonado to obtain certification in the subject area/grade level that she is currently teaching and we have full confidence in her ability to teach effectively in this assignment during the school year 2023-2024.

If you have any questions regarding Ms. Victoria Maldonado qualifications, please feel free to contact me.

Sincerely,

Kelly Roman
