

THE SCHOOL DISTRICT OF OSCEOLA COUNTY, FL

CHOICE Booklet

FRAME YOUR FUTURE

Sponsored by:

EDUCATIONAL CHOICES AND INNOVATION DEPARTMENT

SUPERINTENDENT'S *Message*

Parents and Guardians,

The Osceola School Board and I strongly believe that parents should have the ability to decide which academic environment best meets their students' needs. As a result of House Bill 7029, students are able to transfer to any school in Osceola County with open seats based on current capacity. Please take the time to learn about the many expanded Choice offerings in the Osceola County School District that is outlined in this publication. Whatever interests and abilities your child has, I am confident that there is an Osceola school that will nurture and support them in preparation for success in college, career, and life.

As a "Choice District", Osceola is at the forefront of the Choice movement. By learning more about the Choice options in Osceola County, you will see for yourself that the Osceola School District offers more of everything you want for your child.

Sincerely,

Dr. Debra Pace
Superintendent

CHOICE OPTIONS

at a glance

As a "Choice District", Osceola is at the forefront of the Choice movement. The Osceola School District operates under a controlled open enrollment (COE) plan. COE allows a parent from any school district in the state whose child is in good standing to enroll in any public school that has not reached capacity, subject to the maximum class size. Families with students entering Kindergarten through Grade 12 have the opportunity to choose from an array of theme-based curricula offerings that provide innovative and rigorous academic instruction by specially-trained teachers. These programs provide students with a pathway to post-secondary education and careers. Students may apply for one or two Choice or CTE programs with available space. Selection for placement is made in the spring of each year via a lottery. For more information, visit <https://www.osceolaschools.net/choice> or www.myosceolachoice.school.

Choice for Capacity

There are seats available beyond the offered Choice programs. If you are not interested in a Choice program, you may select Choice for Capacity on the Choice application.

Dual Enrollment Information

- All high schools listed in this booklet offers students the opportunity to apply for dual enrollment courses.
- Dual enrollment courses may be offered on and off campus.
- Contact the school of choice for more information.

Advanced Placement Information

- All high schools listed in this booklet offers students the opportunity to apply for advanced placement courses.

Gifted and Visual Arts Program Information

- All schools listed in this booklet offer a gifted and a visual arts program for eligible students.

Osceola Virtual School: The School District of Osceola County offers a full-time virtual instruction program for public school students in Kindergarten through Grade 12. Students are offered the opportunity to take online academic courses anytime and anywhere. For more information, visit:

<https://osceolaschools.net/ovss>

FOLLOW YOUR PATH

The district prohibits discrimination in the terms and conditions of employment, and in access to educational programs and activities, and prohibits harassment of any individual or group on the basis of race, color, national origin, religion, sex, age, disability, marital status, sexual orientation or genetic information (and other protected classes included in the district's nondiscrimination policies). Lack of English language skills will not be a barrier to admission and participation. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation.

Questions, complaints, or requests for additional information regarding discrimination or harassment may be sent to:

Student Services 504 Coordinator: 1200 Vermont Avenue St. Cloud, FL 34769 (407) 870-4897

CHOICE OPTIONS *information*

WHERE CAN I FIND INFORMATION ABOUT CHOICE PROGRAMS IN OSCEOLA COUNTY?

- On the Educational Choices and Innovation Department's website at <https://www.osceolaschools.net/choice> or www.myosceolachoice.school
- Choice Fair: November 17, 2022
- National School Choice Week: January 23, 2023, to January 27, 2023
- E-mail: choiceprogramapplication@osceolaschools.net
- By visiting school websites

CHOICE APPLICATION

- Applicants with an EXISTING Parent Portal account will find the Choice application under their child information located in the left side column or visit www.osceolaschools.net/choice or www.myosceolachoice.school and click on the frame.
- New or out-of-district applicants may create a Parent Portal account by visiting <https://osceolaschools.net/choice> or www.myosceolachoice.school and clicking on the frame. After creating your account, you'll complete the Choice application by clicking on the frame.
- Only one application per student may be submitted.
- A maximum of two Choice schools or program preferences per application may be selected.
- Applicants rank choices as first and second preferences.
- Programs may have a limited number of available seats, and not have any second choices assigned in the lottery.
- If the applicant has any siblings currently attending and will continue to attend the requested Choice school the following school year, this should be noted on the application. Siblings currently applying to the same Choice school should also be noted on the application.

APPLICATION FOR ADMISSION

An additional application for admission is required for the following schools or programs:

1. Celebration High School – IB Programme Only
2. Gateway High School – IB Programme Only
3. NeoCity Academy
4. Professional and Technical High School (PATHS)
5. Tohopekaliga High School
6. Poinciana High School - Osceola Business Academy
7. AVID
8. Osceola County Schools for the Arts (OCSA)

The additional applications for admission are available by visiting:

<https://www.osceolaschools.net/choice>

Choice Application Window and Deadlines for the 2023-2024 School Year

- November 17, 2022 – January 31, 2023: Choice application window
- January 31, 2023: Deadline for all Choice programs
- Late applications will be accepted after January 31, 2023. They may be considered only after all applicants in the wait pool have been assigned to their Choice School.

PROGRAM DESCRIPTIONS

A list of programs and their descriptions are available online at:

<https://www.osceolaschools.net/choice>

Please Visit:

<https://www.osceolaschools.net/choice>

for Choice program updates not available prior to print.

CHOICE OPTIONS

information

LOTTERY SELECTION PROCESS

- The lottery will be conducted on February 7, 2023.
- If a program has more first-choice applicants than available seats, applicants will be assigned through the lottery selection process according to the following:
 1. Dependent children of active-duty military personnel whose move resulted from military orders (documentation is required).
 2. Children who have been relocated due to foster care placement in a different school zone.
 3. Children who move due to a court-choice-ordered change in custody due to separation, divorce, or the serious illness or death of a custodial parent;
 4. Siblings (to receive preferences, siblings must apply to the same Choice program or school that their sibling is currently attending and will be attending during the school year). Siblings are defined as brother, sister, half-brother, half-sister, stepbrother, or stepsister living in the same household.
 5. Children whose parent works for The School District of Osceola County;
 6. Students who reside in the district; and,
 7. Applicants from out of the district.

POST LOTTERY

- All applicants will receive notification from the Educational Choices and Innovation Department via e-mail during the month of February 2023.
- All applicants may check their application status after February 15, 2023, by visiting our website and clicking on *Check Your Status*.
- All applicants must accept or decline their choice offer by March 1, 2023.
- Once an applicant is selected for one of his/her choices, he/she is immediately removed from the waiting list for the remaining program on the application.
- If an applicant declines their first assignment, he/she may opt for their second choice if there is capacity or return to his/her zoned school.
- Applicants assigned to their first choice assignment cannot choose to remain on the wait list for their second choice.
- If an applicant declines his/her second choice assignment, he/she may remain on the waiting list for their first choice. To be considered, eligibility criteria must be met for the first choice program.
- If an applicant is not selected for either one of his/her choices, the applicant is placed on the waiting list and may be assigned once a seat becomes available at the requested Choice school.
- If an applicant exits a Choice school program, voluntarily or involuntarily, he/she may exercise choice to another school by completing a new choice application or returning to his/her zoned school.
- All students are expected to follow the district's Code of Student Conduct.
- If an applicant is not selected to attend a Choice program before the start of the 2023-2024 school year, a new application may be submitted for the 2024-2025 school year.

CHOICE OPTIONS

information

Eligibility of Applicants

- All applicants must meet Florida residency and age requirements.
- All applicants must be in good standing with the district.
- There are no elementary Choice program eligibility criteria, except for students requesting a Dual Language program in Grades 2 to 5.
- There are no elementary and middle school Choice program eligibility criteria for the IB Programme.
- Students not meeting eligibility criteria will be considered ineligible and will not be placed in the Choice lottery.

MIDDLE SCHOOL AND HIGH SCHOOL ELIGIBILITY CRITERIA

Advanced Via Individual Determination (AVID)

- Interview Process
- Complete Additional Application for Admission

International Baccalaureate Programme (IB)

- 3.0 GPA for students entering Grade 9
- Proficiency level on FSA Reading and/or Math Assessment
- Teacher Recommendations
- Counselor Recommendations
- Algebra I or Algebra I Honors and Spanish or French for high school credit are highly recommended
- Complete Additional Application for Admission

NeoCity Academy

Applicants will be ranked according to a scoring system.

- Entrance Exam
- Student Interview
- Teacher Recommendation
- Completion of Algebra I

Osceola Virtual School

- Proficiency level on FSA Reading and Math Assessment
- Grade of C or above in all courses
- High school students, a cumulative GPA of 2.0 or above
- High school students must be on track to graduate
- Successfully promoted to the next grade

Osceola County School for the Arts (OCSA)

- Eligible Audition Score
- Positive Attendance Record
- Proficiency level on FSA Reading and Math Assessment

Professional and Technical High School (PATHS)

- 8th Grade Final GPA
- Proficiency level on middle school FSA Reading and Math Assessment
- Proficiency level in the Algebra 1 and Biology EOC (if applicable)
- Minimum of 2.0 GPA and current grades of C or higher in all core classes.
- Students who do not have a 7th Grade FSA Reading score or who have taken Algebra 1 but do not have an Algebra 1 EOC score must contact oTECH to set up a time to take the Test of Adult Basic Education (TABE).
- Students must score at the current grade level in all three areas (Math, Language, Reading).
- Complete Additional Application for Admission

Osceola Business Academy at Poinciana High

Complete Additional Application for Admission

SEAT AVAILABILITY

- The seat ranges listed for the number of available seats in schools are approximate; district growth and staffing needs may alter the final numbers.

CHOICE OPTIONS *information*

Slingshot

- Retained once or twice in elementary school
- Proficiency level on FSA Reading and/or Math Assessment

Slingshot is an Osceola County program to provide an opportunity to elementary school students who needed additional support and repeated one or two school years. This program looks for students who after the support of the elementary school provided are on, or close to, grade level and are ready to complete two years of curriculum in one school year. The eligibility criteria are as follows:

1. The student should have been retained once or twice in elementary school.
2. The student should be working on, or near, grade level ability in Reading and Math.
3. The student should have and maintain a good attendance record.
4. The student should demonstrate individual determination and self-motivation to complete this fast-paced rigorous program successfully.

The program is offered at **Discovery Intermediate and Parkway Middle School**. Transportation options are available for eligible students via a hub system.

Transportation for Select Choice Programs

Transportation Hubs - The Choice programs eligible for transportation via hubs include:

1. Arts - Poinciana Academy of Fine Arts
2. STEM - Chestnut Elementary School for Science and Engineering, Discovery Intermediate, and Poinciana High School
3. Dual Language - Kissimmee Elementary School and Ventura Elementary School
4. International Baccalaureate (IB) - Thacker Avenue Elementary for International Studies and Parkway Middle School
 - Bus hub locations to the Choice schools may be limited and located significantly farther from the student's home than the transportation to the student's zone school.
 - Additional bus hub locations will not be created for students regardless of the student's proximity to the nearest stop.

Transportation for Magnet and Specialized Programs - Transportation will be provided to eligible students to:

1. Celebration High School: IB Program Only. Transportation will be provided to accepted IB applicants who live within the designated Celebration IB Zone. Refer to page 9 or www.osceolaschools.net/choice for the IB Transportation Zoning Map. Transportation will be the responsibility of the parent if the applicant does not live within the Celebration IB Zone.
2. Gateway High School: IB Program Only. Transportation will be provided to accepted IB applicants who live within the designated Gateway IB Zone. Refer to page 9 or www.osceolaschools.net/choice for the IB Transportation Zoning Map. Transportation will be the responsibility of the parent if the applicant does not live within the Gateway IB Zone.
3. NeoCity Academy
4. Professional and Technical High School (PATHS)
5. The Osceola County School for the Arts (OCSA)

Other Transportation Information - Transportation for students who live within two miles of the Choice school will be the responsibility of the parent.

- All information related to transportation will be provided by the Choice school, if applicable.

IB TRANSPORTATION ZONING

Celebration

Gateway

Celebration High School - IB Program Only. Transportation will be provided to accepted IB applicants who live within the designated Celebration IB Zone. Refer to www.osceolaschools.net/choice for the IB Transportation Zoning Map. Transportation will be the responsibility of the parent if the applicant does not live within the Celebration IB Zone.

Gateway High School - IB Program Only. Transportation will be provided to accepted IB applicants who live within the designated Gateway IB Zone. Refer to www.osceolaschools.net/choice for the IB Transportation Zoning Map. Transportation will be the responsibility of the parent if the applicant does not live within the Gateway IB Zone. 9

CHOICE FREQUENTLY *asked questions*

What is School Choice Florida? The Florida Legislature recognizes the value of an educational system that provides numerous and meaningful options for students and their parents. School Choice Florida promotes and encourages parental involvement and ensures students have access to a school that meets their needs. As a result of House Bill 7029, students can transfer to any school in Osceola County with open seats based on current capacity. Osceola is at the forefront of the Choice movement.

Can I select my child's school for the 2023-2024 school year? Yes. The Choice Application window will open from November 17, 2022, through January 31, 2023. Applying online is the most efficient way to submit your child's application. To apply visit, www.osceolaschools.net/choice or www.myosceolachoice.school. Families may check the results by accessing the parent portal after February 15, 2023. Lottery results will be emailed in mid-February 2023.

Can I apply after the deadline? Yes. Late applications will be accepted after January 31, 2023; however, they will not be included in the February Choice lottery and may be considered only after all applicants in the wait pool have been assigned.

What additional requirements are needed for my application? Applicants requesting priority are required to submit the following documents, if applicable:

- Military Priority - Active duty orders
- Foster Care Priority - Placement documents
- Custody Priority - Court-ordered documents
- Siblings - Name and date of birth of the sibling attending the requested Choice School
- Employee Priority - Employee ID number, name of school/department, and position

An additional application for admission, testing, or audition is required for selected schools and programs.

What is the difference between Choice Programs and Choice for Capacity? Choice Programs offer families with students entering kindergarten through grade 12 the opportunity to choose from an array of theme-based curricula offerings at the elementary, middle, and high school levels that provide innovative and rigorous academic instruction by specially trained teachers. These programs provide students with a pathway to post-secondary education and careers. The choice for Capacity is seats available beyond the offered Choice Programs. If not interested in a Choice program, you may select Choice for Capacity on the Choice application.

Is transportation provided to Choice students? Transportation is the responsibility of the parent except for eligible programs.

Do I have to reapply for Choice every year? No. Choice approvals are valid until the highest grade level is offered at the Choice school. However, the application becomes null and void if the student withdraws from the Choice school.

How can I check the status of my Choice application? You may log in to your parent portal or visit www.osceolaschools.net/choice or www.myosceolachoice.school and click Check Your Status. If you are unable to check the status online, please email us at choiceprogramapplication@osceolaschools.net.

Can I request Choice for the current school year? Yes. Late Choice applications are received through the Spring of the current school year. If the school is currently at capacity, the application will be placed on a waiting list and considered once a seat becomes available. Applicants requesting a school with available seats will receive a Choice acceptance letter via email. To apply visit, www.osceolaschools.net/choice or www.myosceolachoice.school.

Do I have to apply every year if my student is not offered a Choice seat? Yes. If a student is not offered a seat, a new Choice application is required for the following school year. The student will be assigned a new waitlist number during the Choice lottery process if the requested Choice school has more applicants than the number of seats available.

CTE PROGRAMS

AGRICULTURE, FOOD AND NATURAL RESOURCES

Students are involved in planning, managing, and performing agricultural production, horticulture and landscaping services, and related professional and technical services; planning, managing, and performing mining and extraction operations, managing and conserving natural resources; and performing related environmental services.

EDUCATION AND TRAINING

Students have the opportunity to work with and train young people. The majority of teachers are employed by primary or secondary schools. A student may also choose to support the work of the classroom teacher as a counselor, librarian, or principal. Every student receives the academic knowledge and technical skills needed to be successful in an educational or support services career.

ARCHITECTURE AND CONSTRUCTION

Students are involved in designing, planning, managing, building, and maintaining the built environment. People in these fields work on new structures, restorations, additions, alterations, and repairs.

- Carpenter
- Demolition Engineer
- Electrician
- Thermal Control Technician
- Pipe Fitter
- Brick Mason
- Landscape Designer
- Architectural Drafter
- Surveyor

ENERGY

This is an interdisciplinary program that gives students knowledge and skills concerning energy policy and the energy business through courses in economics, environmental studies, environmental science, and various business disciplines, while also providing a solid background in basic energy science concepts.

BUSINESS MANAGEMENT AND ADMINISTRATION

The purpose of this program is to involve students in planning, organizing, directing, performing, and evaluating business functions essential to the effectiveness and productiveness of everyday business operations.

ENGINEERING AND TECHNOLOGY

Students apply mathematics, science, and technology concepts to solve problems quantitatively in engineering projects involving design, development, or production in various technologies. They will recognize the core concepts of technology and their relationships with engineering, science and math, and other subjects.

FINANCE

Students will focus on making strategic decisions to report, obtain, save, protect and grow the financial assets of businesses and individuals. Students will develop strong computation, analytical and interpersonal skills. preparing them for career in Finance, including areas such as banking and credit, securities and insurance, and financial planning.

- Financial Advisor and Examiner
- Title Researcher
- Loan Officer and Processor
- Stockbroker
- Tax Preparer

HEALTH SCIENCES

The Health Science Career Cluster is divided into five pathways: Therapeutic Services, Diagnostic Services, Health Informatics, Support Services, and Biotechnology Research & Development. It orients students to careers that promote health, wellness, and diagnosis as well as treat injuries and diseases. Some careers involve working directly with people, while others involve research into diseases or collecting and formatting data and information.

HOSPITALITY AND TOURISM

Students are involved in planning, managing, and providing lodging, food, recreation, conventions, tourism, and related planning and support services such as travel-related services Students will be equipt to enjoy a career as a(n):

- Chef
- Hotel Manager
- Concierge
- Convention Manager
- Front Desk Supervisor

HUMAN SERVICES

Human Services prepares students for family life, work life, and careers in family and consumer sciences by providing opportunities to develop the knowledge, skills, attitudes, and behaviors needed through character development, creative and critical thinking, interpersonal communication, practical knowledge, and vocational preparation.

- Cosmetologist
- Emergency & Relief Worker
- Massage Therapist
- Funeral Director

INFORMATION TECHNOLOGY

Students obtain advanced high-tech skills to successfully compete in the advancing technological world. IT careers involve the design, development, support, and management of hardware, software, multimedia, and systems integration services. The IT industry is a dynamic and entrepreneurial working environment that has a revolutionary impact on the economy and society.

- Software Engineer
- Game Programmer
- Multimedia Producer
- Webmaster

LAW, PUBLIC SAFETY AND SECURITY

Law, Public Safety, Corrections & Security prepares students for careers in planning, managing, and providing legal, public safety, protective services, and homeland security, including professional and technical support services.

- Firefighter
- Police Officer
- Lawyer
- Judge
- Paralegal
- Criminal Investigator
- Emergency Planning Manager
- Armored Car Guard

MANUFACTURING

This sector makes or transforms materials or substances into new products. It involves planning, managing, and performing the processing of materials into intermediate or final products and related professional and technical support activities.

- Machine Operator
- Tool and Die Maker
- Sheet Metal Worker
- Quality Control Technician

MARKETING, SALES AND SERVICE

Students are involved in planning, managing, and performing wholesaling and retailing services and related marketing and distribution support services including merchandising/product management and promotion.

- Advertising Executive
- Public Relations Specialist
- Regional Sales Manager
- Small Business Owner

TRANSPORTATION, DISTRIBUTION AND LOGISTICS

This sector involves the planning, management, and movement of people, materials, and goods by road, air, rail, and water, as well as related professional and technical support services such as transportation infrastructure planning and management; logistics services; and mobile equipment and facility maintenance.

ART, AUDIO/VIDEO AND COMMUNICATIONS

This field allows students to express their vision in many forms. By combining their artistic ability with design principles and knowledge, they can explore a career with an opportunity to pursue their passion with a career in art and design. The vision is to see that all students have an appreciation for the arts of communication and that the students develop essential career preparation skills, as well as personal leadership opportunities by using their creative talents.

- Audio Technician
- Actor / Actress
- Sound Board Operator
- Dance Instructor
- Reporter / News Analyst
- Telecommunications Specialist
- Musician
- Broadcast Technician
- Press Operator
- Commercial Artist
- Video Technician
- Museum Curator
- Camera Operator
- Cable TV Engineer

COSMETOLOGY AND BARBERING

Our mission is to introduce students to the objectives of the Cosmetology and Barbering profession. Students develop the ability to identify concepts of medical terminology and body structures. They are introduced to infection control concepts, safety principles, and standards; defining and identifying structures and functions of the hair, skin, and nails; and safely performing hair-related chemical procedures correctly to produce safe, correct, and accurate results.

HVAC: HEATING, VENTILATION, AIR-CONDITIONING

This program prepares students for employment or advanced training in the heating, ventilation, and air-conditioning/refrigeration industry. Students may obtain EPA certification in order to be employed in any job that requires work with refrigerants. This program focuses:

- Transferable skills
- Understanding of the ventilation industry
- Planning, management, finance, technical and production skills, technology,
- Health, safety, and environmental issues.

Post Secondary and
Adult Education
Programs are available at

OSCEOLA
TECHNICAL COLLEGE
every student, future ready

PHLEBOTOMY

Phlebotomists are essential members of the healthcare industry. In this rigorous course, students are trained to collect blood from patients and prepare the samples for testing. Students learn the difference in blood test types and how medications and diet impact blood samples. Common tasks and duties include of a Phlebotomists include:

- Taking blood pressure, pulse, and respiration readings
- Sending blood, urine, or fecal samples for testing
- Sterilizing equipment and cleaning workspaces

EMERGENCY SERVICES

Students develop specific skills on how to be first responders in case of an emergency. They are trained to care for patients and transport them to a medical facility. During an emergency Medical Technician (EMT):

- Operate and maintain the emergency vehicle
- Evaluate patients and injuries
- Provide emergency medical care
- Complete required medical forms
